Hospitality Chris Sheppardson,2021-01-20 This book is an introduction to one of the fast developing core pillars in business sustainability as well as how it is closely tied into the concept of service Much has changed during the Covid 19 pandemic we are seeing companies redefine their value propositions with leaders once again returning to core basics and beginning to lead through strong pillars The new emerging generations are demanding and expecting more The bar has been raised and the challenge for all leaders is to meet this There are new leaders emerging with strong visions of the future As difficult as 2020 has been we could well be sitting on the brink of a new age in both sustainability and in service Out of the dark times could come a lot of good but it will require new styles of leadership to what has been seen over the last 20 years

Hospitality Strategic Management Jeffrey S. Harrison,Cathy A. Enz,2005 Publisher Description Are You an Ostrich Or a Llama? Larry Mogelonsky,2012-07 Are You an Ostrich or a Llama Written by one of the world s most published authors in the field of hospitality this book represents a radical departure from traditional texts in the industry Targeted at hotel management this book is intended to serve as a platform for discussion on current issues relating to the performance of hotels and resorts Through a combination of real life examples and an examination of current challenges facing the hotel industry the book comprises approximately one hundred individual segments each dedicated to a single thought or concept These stand alone articles are then combined into ten chapters each dedicated to a specific topic The book has been written so that hoteliers of any level from apprentice to seasoned general manager will be able to gain value from the contents While the bulk of articles deal with marketing aspects many of the items relate to core operational issues A theme common throughout is to recognize the importance of guest service as it relates to the industry For those who are not involved in the hotel industry but have careers that involve customer service s the practical hints provided throughout the text serve as excellent training pointers So why the title Ostriches are classically known as avoiding conflict by putting their head in the

sand While probably not true the stigma remains and those who are considered an ostrich are living in the past Llamas on the other hand are considered utilitarian hardworking and reliable This is what you want to strive for By reading this book and digesting the contents the hope is to move from ostrich to llama
