Sense And Sensuality Ravi Zacharias:

Sense and Sensuality Ravi Zacharias, 2006-06-01 Why is the world so full of pleasures if we aren't allowed to enjoy them An imaginary Oscar Wilde seeks Jesus Christ's answer in Ravi Zacharias's entertaining dialogue **After You've Blown It** Erwin Lutzer, 2012-06-20 YOU CAN START OVER AGAIN Many Christians become so discouraged because of their sins and failures that they give up on ever having fellowship with God again They also fear that their broken relationships will never heal For everyone who has wished for a fresh beginning here is good news This gentle affirming book emphasises how much God wants his wandering children to return to him Award winning author and pastor Erwin Lutzer provides solutions to common questions about how to reconnect with God and with those we are estranged from Thanks to God's grace it is never too late to do what's right In this powerful practical book bestselling author Erwin Lutzer shows you how to clear your conscience and reestablish broken relationships Worthy or not you can know real lasting peace and the assurance that God still has a plan for your life *Story Behind the Book* The idea for this book came to me when speaking at Promise Keepers There were many men who came to faith in Christ but then failed in their walk the next week or the next month So they assumed that this new life was not for them they thought that God was so angry with their failure they might just as well live on the fringes of the Christian faith rather than making it the core of their lives This is a message of grace not only in establishing our relationship with God but in reconciling with those we have wronged or who have wronged us **Unruly Catholics from Dante to Madonna** Marc DiPaolo, 2013-10-03 During the Second Vatican Council the Roman Catholic Church went through a period of liberal reform under the stewardship of Popes John XXIII and Paul VI Successive popes sharply reversed course enforcing conservative ideological values and silencing progressive voices in the Church Consequently those Catholics who had embraced the spirit of Vatican II were left feeling adrift and betrayed In *Unruly Catholics from Dante to Madonna* scholars of literature film religion history and sociology delve into this conflict and historically similar ones through the examination of narratives by and about rebellious Catholics Essays in *Unruly Catholics* explore how renowned Catholic literary figures Dante Alighieri Oscar Wilde Graham Greene Evelyn Waugh and Gerard Manley Hopkins dealt with the disparities between their personal beliefs and the Church's official teachings Contributors also suggest how controversial entertainers such as Madonna Kevin Smith Michael Moore and Stephen Colbert practice forms of Catholicism perhaps worthy of respect Most pointedly *Unruly Catholics* addresses the recent sex abuse scandals considers the possibility that the Church might be reformed from within and presents three iconic figures Thomas Merton Dorothy Day and C S Lewis as models of compassionate and reformist Christianity *A Little Pot of Oil* Jill Briscoe, 2009-01-21 Running on Empty The Holy Spirit's empowerment comes when we step into the forward motion of God's love flowing through us not backwards into our comfortable shell A time comes when we just don't have anything left over to give We run out of faith energy strength patience options peace joy ideas and even love So when God's call comes knocking

and our resources seem thin we tend to hole up and hide from the needs of others But that s exactly when God s greatest blessing is within a single step according to Jill Briscoe He s asking us to obey senseless as it may seem God has given us what we need to fill up when we run low It s the incredible gift of Himself In this engaging book Jill Briscoe guides you to a source of ample sustenance Even as you empty yourself the Holy Spirit will fill you And in giving yourself away you will find life

Oscar Wilde as a Character in Victorian Fiction Angela Kingston,2007-12-15 This book documents how Oscar Wilde was appropriated as a fictional character by no less than thirty two of his contemporaries Focusing on Wilde s relationships with many of these writers Kingston examines and critiques Wildean portraits by such celebrated authors as Joseph Conrad Arthur Conan Doyle Henry James George Bernard Shaw and Bram Stoker as well as some lesser known writers Many fascinating little known biographical and literary connections are revealed While this work will be of significant interest to scholars of Wilde it is also written in a clear accessible style which will appeal to the non academic reader with a general interest in Wilde or the late Victorian period
