**FATED** Tera Clausen, 2010-12-21 Through this autobiographical piece of writing the author takes the reader back into childhood to remind them all how lonely being a child can be and how hard it is to grow up As a girl Tera had to live through the adversity of divorce sexual exploitation an abusive step father and then as she became older she continued the pattern through horrible relationships As she became an adult she started to keep secrets of her own and live a life that she didn't want her family a part of Come with her down the downward spiral as she tries to make sense of life and stop the world wind that seems to rule her actions

*By Accident* Susan Kelly, 2011-09-01 A grieving mother finds solace from her son's death in a relationship that quickly blurs the line between friendship and intimacy By Accident portrays a year in the life of a woman after the accidental death of her teenage son Laura Lucas is numbed by the loss a loss that is paralleled in the spate of

upscale construction and attendant destruction in her starter home neighborhood It s about Laura s relationship with a young tree surgeon who slowly becomes a replacement for her son but also an object of desire The story reveals the delicate nexus where solace becomes sex the role of men and women as unmarried friends and examines grief in a marriage It portrays the pain of change and the poignancy of acceptance through Laura s eyes and occasionally through the quirky outlook of her ten year old daughter And before the story ends another brutal random accident will redefine Laura s life once again

**Walking the Llano** Shelley Armitage,2016-02-15 When American explorers crossed the Texas Panhandle they dubbed it part of the Great American Desert A sea of grass the llano appeared empty flat and barely habitable Contemporary developments cell phone towers oil rigs and wind turbines have only added to this stereotype Yet in this lyrical ecomemoir Shelley Armitage charts a unique rediscovery of the largely unknown land a journey at once deeply personal and far reaching in its exploration of the connections between memory spirit and place Armitage begins her narrative with the intention to walk the llano from her family farm thirty meandering miles along the Middle Alamosa Creek to the Canadian River Along the way she seeks the connection between her father and one of the area s first settlers Ysabel Gurule who built his dugout on the banks of the Canadian Armitage who grew up nearby in the small town of Vega finds this act of walking inseparable from the act of listening and writing What does the land say to us she asks as she witnesses human alterations to the landscape perhaps most catastrophic the continued drainage of the land s most precious resource the Ogallala Aquifer Yet the llano s wonders persist dynamic mesas and canyons vast flora and fauna diverse wildlife rich histories Armitage recovers the voices of ancient Native and Hispano peoples their stories interwoven with her own her father s legacy her mother s decline a brother s love The llano holds not only the beauty of ecological surprises but a renewed realization of kinship in a world ever changing Reminiscent of the work of Terry Tempest Williams and John McPhee Walking the Llano is both a celebration of an oft overlooked region and a soaring testimony to the power of the landscape to draw us into greater understanding of ourselves and others by experiencing a deeper connection with the places we inhabit

and colorblind America a nation of black and white together animated by the spirit of mutual respect and strengthened by the bonds of brotherly love As Adam Gussow shows in this urgently needed new book the dream although pressured on every front remains alive At the heart of *My Family and I* is Gussow's determination in King's terms to live out the true meaning of America's creed a quest for transracial brotherhood that takes him from a blues partnership forged on the streets of 1980s Harlem through graduate training at Princeton and decades later a transformative course on the blues literary tradition that he shares with inmates at Mississippi's notorious Parchman Farm Anchoring Gussow's quest is a story of enduring love a playful soulful interracial romance between the newly hired professor at Ole Miss and his soon to be wife Sherrie that blossoms with the birth of a musically gifted son Shaun As America explodes with protest and riots in the summer of 2020 after the death of George Floyd as social justice fundamentalists insist on stigmatizing whiteness and hardening the color line rather than healing the divisions that plague us Gussow is forced to fight for what he loves not just the sanctity of his family circle but King's dream of beloved community *My Family and I* gifts the reader with hope for a future beyond America's seemingly insoluble racial dilemmas
