Choices, Choices!

Murray's family is taking a vacation from work all week. They want to plan all kinds of fun things to do, like fishing, hiking, skating, swimming, and tennis. They are hoping for some warm, sunny weather. However, they just cannot decide which day to do each activity. So, they decided to check the weather forecast in the newspaper before making final plans.

When you make predictions, use information from a story to determine what will happen next.
