**Forthcoming Books** Rose Arny,2003 The Nexus Between Security Sector Governance/Reform and Sustainable Development Goal-16 Oya Dursun-Özkanca,2021-05-27 This Security Sector Reform SSR Paper offers a universal and analytical perspective on the linkages between Security Sector Governance SSG SSR SSG R and Sustainable Development Goal 16 SDG 16 focusing on conflict and post conflict settings as well as transitional and consolidated democracies Against the background of development and security literatures traditionally maintaining separate and compartmentalized presence in both academic and policymaking circles it maintains that the contemporary security and development related challenges are inextricably linked requiring effective measures with an accurate understanding of the nature of these challenges In that sense SDG 16 is surely a good step in the right direction After comparing and contrasting SSG R and SDG 16 this SSR Paper argues that human security lies at the heart of the nexus between the 2030 Agenda of the United Nations UN and SSG R To do so it first provides a brief overview of the scholarly and policymaking literature on the development security nexus to set the background for the adoption of The Agenda 2030 Next it reviews the literature on SSG R and SDGs and how each concept evolved over time It then identifies the puzzle this study seeks to address by comparing and contrasting SSG R with

SDG 16 After making a case that human security lies at the heart of the nexus between the UN s 2030 Agenda and SSG R this book analyses the strengths and weaknesses of human security as a bridge between SSG R and SDG 16 and makes policy recommendations on how SSG R bolstered by human security may help achieve better results on the SDG 16 targets It specifically emphasizes the importance of transparency oversight and accountability on the one hand and participative approach and local ownership on the other It concludes by arguing that a simultaneous emphasis on security and development is sorely needed for addressing the issues under the purview of SDG 16
