Freedomland Annemarie H. Sammartino, 2022-04-15 In *Freedomland* Annemarie H Sammartino tells Co op City's story from the perspectives of those who built it and of the ordinary people who made their homes in this monument to imperfect liberal ideals of economic and social justice Located on the grounds of the former Freedomland amusement park on the northeastern edge of the Bronx Co op City's 35 towers and 236 townhouses have been home to hundreds of thousands of New Yorkers and is an icon visible to all traveling on the east coast corridor In 1965 Co op City was planned as the largest middle class housing development in the United States It was intended as a solution to the problem of affordable housing in America's largest city While Co op City first appeared to be a huge success story for integrated middle class housing tensions would lead its residents to organize the largest rent strike in American history In 1975 a coalition of shareholders took on New York State and against all odds secured resident control Much to the dismay of many denizens of the complex even this achievement did not halt either rising costs or white flight Nevertheless after the challenges of the 1970s and 1980s the cooperative achieved a hard won stability as the twentieth century came to a close *Freedomland* chronicles the tumultuous first quarter century of Co op City's existence Sammartino's narrative connects planning economic and political history and the history of race in America The result is a new perspective on twentieth century New York City **Smack** Eric C. Schneider, 2013-04-19 Why do the vast majority of heroin users live in cities In his provocative history of heroin in the United States Eric C Schneider explains what is distinctively urban about this undisputed king of underworld drugs During the

twentieth century New York City was the nation's heroin capital over half of all known addicts lived there and underworld bosses like Vito Genovese Nicky Barnes and Frank Lucas used their international networks to import and distribute the drug to cities throughout the country generating vast sums of capital in return Schneider uncovers how New York as the principal distribution hub organized the global trade in heroin and sustained the subcultures that supported its use Through interviews with former junkies and clinic workers and in depth archival research Schneider also chronicles the dramatically shifting demographic profile of heroin users Originally popular among working class whites in the 1920s heroin became associated with jazz musicians and Beat writers in the 1940s Musician Red Rodney called heroin the trademark of the bebop generation It was the thing that gave us membership in a unique club he proclaimed Smack takes readers through the typical haunts of heroin users 52nd Street jazz clubs Times Square cafeterias Chicago's South Side street corners to explain how young people were initiated into the drug culture Smack recounts the explosion of heroin use among middle class young people in the 1960s and 1970s It became the drug of choice among a wide swath of youth from hippies in Haight Ashbury and soldiers in Vietnam to punks on the Lower East Side Panics over the drug led to the passage of increasingly severe legislation that entrapped heroin users in the criminal justice system without addressing the issues that led to its use in the first place The book ends with a meditation on the evolution of the war on drugs and addresses why efforts to solve the drug problem must go beyond eliminating supply

The Anthropology of Latin America and the Caribbean Harry Sanabria, 2015-09-16

The first single authored comprehensive introduction to major contemporary research trends issues and debates on the anthropology of Latin America and the Caribbean The text provides wide and historically informed coverage of key facets of Latin American and Caribbean societies and their cultural and historical development as well as the roles of power and inequality Cymeme Howe Visiting Assistant Professor of Cornell University writes The text moves well and builds over time paying close attention to balancing both the Caribbean and Latin America as geographic regions Spanish and non Spanish speaking countries and historical and contemporary issues in the field I found the geographic breadth to be especially impressive Jeffrey W Mantz of California State University Stanislaus notes that the contents reflect the insights of an anthropologist who knows Latin America intimately and extensively

Dispatches from the Ebony Tower Manning

Marable, 2001-03-01 What constitutes black studies and where does this discipline stand at the end of the twentieth century In this wide ranging and original volume Manning Marable one of the leading scholars of African American history gathers key materials from contemporary thinkers who interrogate the richly diverse content and multiple meanings of the collective experiences of black folk Here are numerous voices expressing very different political cultural and historical views from black conservatives to black separatists to blacks who advocate radical democratic transformation Here are topics ranging from race and revolution in Cuba to the crack epidemic in Harlem to Afrocentrism and its critics All of these voices however are engaged in some aspect of what Marable sees as the essential triad of the black intellectual tradition describing the

reality of black life and experiences critiquing racism and stereotypes or proposing positive steps for the empowerment of black people Highlights from Dispatches from the Ebony Tower Henry Louis Gates Jr and Manning Marable debate the role of activism in black studies John Hope Franklin reflects on his role as chair of the President's race initiative Cornel West discusses topics that range from the future of the NAACP through the controversies surrounding Louis Farrakhan and black nationalism to the very question of what race means Amiri Baraka lays out strategies for a radical new curriculum in our schools and universities Marable's introduction provides a thorough overview of the history and current state of black studies in America

Race and Racism in the United States Charles A. Gallagher, Cameron D. Lippard, 2014-06-24 How is race defined and perceived in America today and how do these definitions and perceptions compare to attitudes 100 years ago or 200 years ago This four volume set is the definitive source for every topic related to race in the United States In the 21st century it is easy for some students and readers to believe that racism is a thing of the past in reality old wounds have yet to heal and new forms of racism are taking shape Racism has played a role in American society since the founding of the nation in spite of the words all men are created equal within the Declaration of Independence This set is the largest and most complete of its kind covering every facet of race relations in the United States while providing information in a user friendly format that allows easy cross referencing of related topics for efficient research and learning The work serves as an accessible tool for high school researchers provides important material for undergraduate students enrolled in a variety of humanities and social sciences courses and is an outstanding ready reference for race scholars The entries provide readers with comprehensive content supplemented by historical backgrounds relevant examples from primary documents and first hand accounts Information is presented to interest and appeal to readers but also to support critical inquiry and understanding A fourth volume of related primary documents supplies additional reading and resources for research

Trying to Make It Rajeev V. Gundur, 2022-08-15 Trying to Make It is R V Gundur's journey from the US Mexico border to America's heartland from America's prisons to its streets in search of the true story of the drug trade and the people who participate in it The book begins in the Paso del Norte area encompassing the sister cities of Ciudad Ju rez and El Paso which has been in the public eye as calls for securing the border persist From there it moves on to Phoenix which was infamously associated with the drug trade through a series of kidnappings Finally the book goes on to Chicago which has been a lightning rod of criticism for its gangs and violence Gundur highlights the similarities and differences that exist in the American drug trade within the three sites and how they relate to current drug trade narratives in the US At each stop the reader is transported to the city's historical and contemporary contexts of the drug trade and introduced to the individuals who have lived them Drug retailers street and prison gang members wholesalers and the law enforcement personnel who try to stop them offer readers a comprehensive look at how various illicit enterprises work together to supply the drugs that American users demand Most importantly through a combination of macro and microlevel vantage points and comparative

analysis of three key sites in illicit drug operations the stories in Trying to Make It remind us that the people involved in the drug trade for the most part do not deserve vilification Far from being a seemingly uniform widespread threat or an unlimited array of bogeymen and women they are ordinary people living ordinary lives just trying to make it Drug War Zone Howard Campbell,2023-01-06 A ground level chronicle of the violent drug war in Ciudad Ju rez Mexico with accounts from both traffickers and law enforcement and astute analysis The Americas Thousands die in drug related violence every year in Mexico Ciudad Ju rez Chihuahua adjacent to El Paso Texas has become the most violent city in the drug war Much of the cocaine marijuana and methamphetamine consumed in the United States is imported across the Mexican border making El Paso Ju rez one of the major drug trafficking venues in the world In this anthropological study of drug trafficking and anti drug law enforcement efforts on the US Mexico border Howard Campbell uses an ethnographic perspective to chronicle the recent Mexican drug war focusing especially on people and events in the El Paso Ju rez area It is the first social science study of the violent drug war that is tearing Mexico apart Based on deep access to the drug smuggling world this study presents the drug war through the words of direct participants Half of the book consists of oral histories from drug traffickers and the other half from law enforcement officials There is much journalistic coverage of the drug war but very seldom are the lived experiences of traffickers and narcs presented in such vivid detail In addition to providing an up close personal view of this world Campbell explains and analyzes the functioning of cartels the corruption that facilitates trafficking the strategies of smugglers and anti narcotics officials and the perilous culture of drug trafficking that Campbell refers to as the Drug War Zone This collection of oral histories of drug traffickers and counter drug officials examines the border narco world through the eyes of first hand participants An invaluable resource for anyone seeking a greater sociological understanding Journal of Latin American Studies

DeKeseredy,2003-01-01 Under Siege is one of the first books of its kind It vividly describes the devastating consequences of living in a public housing community damaged by the disappearance of manufacturing jobs government cutbacks and other alarming structural transformations that currently plague the United States and Canada Walter DeKeseredy and his colleagues build on the rich theoretical perspectives developed by feminist scholars as well as those constructed by Jock Young Robert Sampson and William Julius Wilson as they present both the qualitative and quantitative results of a case study of six public housing estates located in an impoverished urban area This groundbreaking book provides an in depth analysis of predatory crime victimization intimate partner victimization public racial and sexual harassment and the relationship of all these harms to the residents perceptions of their neighborhood social disorganization collective efficacy Under Siege is uniquely valuable both for its rich theoretical basis and for its transparent presentation of the authors research methodology It is a thought provoking sociological contribution that offers progressive strategies for ameliorating both poverty and crime in North American public housing complexes **From Trafficking to Terror** Pardis Mahdavi,2013-10-15 A panic surrounds

human trafficking and terrorism The socially constructed war on terror and war on trafficking are linked through discourses that not only combine the two but help promote an anti Muslim sentiment Using ethnographic data and stories From Trafficking to Terror presents the need to challenge the trafficking and terror paradigm and rethink approaches to the large scale challenges these discourses have created This book is ideal for courses on gender labor migration human rights and globalization **The Pursuit of Oblivion** Richard Davenport-Hines,Richard Peter Treadwell Davenport-Hines,2003-11-10

In this uniquely comprehensive history of drugs and their role in society award winning historian Davenport Hines examines how illicit medicines developed into a huge illegal business Drawing on evidence from five centuries The Pursuit of Oblivion is considered the standard work on this subject of global importance **Encyclopedia of Race, Ethnicity, and Society**

Richard T. Schaefer,2008-03-20 This encyclopedia offers a comprehensive look at the roles race and ethnicity play in society and in our daily lives Over 100 racial and ethnic groups are described with additional thematic essays offering insight into broad topics that cut across group boundaries and which impact on society The Routledge Handbook of Qualitative

Criminology Heith Copes,J. Mitchell Miller,2015-03-02 Despite illustrious origins dating to the 1920s qualitative crime research has long been overshadowed by quantitative inquiry After decades of limited use there has been a notable resurgence in crime ethnography naturalistic inquiry and related forms of fieldwork addressing crime and related social control efforts The Routledge Handbook of Qualitative Criminology signals this momentum as the first major reference work dedicated to crime ethnography and related fieldwork orientations Synthesizing the foremost topics and issues in qualitative criminology into a single definitive work the Handbook provides a first look reference source for scholars and students alike The collection features twenty original chapters on leading qualitative crime research strategies the complexities of

collecting and analyzing qualitative data and the ethical propriety of researching active criminals and incarcerated offenders Contributions from both established luminaries and talented emerging scholars highlight the traditions and emerging trends in qualitative criminology through authoritative overviews and lived experience examples Comprehensive and current The Routledge Handbook of Qualitative Criminology promises to be a sound reference source for academics students and practitioners as ethnography and fieldwork realize continued growth throughout the 21st Century Theorizing the City Setha M. Low, 1999 Anthropological perspectives are not often represented in urban studies even though many anthropologists have been contributing actively to theory and research on urban poverty racism globalization and architecture Theorizing the City corrects this omission Following a brief history of urban anthropology emphasizing developments in the field during the 1990s this volume presents twelve ethnographies of major cities in the Americas Africa Asia and Europe Five images of the city the divided city the contested city the global city the modernist city and the postmodern city serve as frameworks for the essays Each section highlights current research trends such as poststructural studies of race class and gender in the urban context political economic studies of transnational culture and studies of the symbolic meanings and social production of urban spaces Violence Parvis Ghassem-Fachandi, 2020-07-12 Violence takes many forms From large scale acts of terrorism to assaults on single individuals violence is a defining force in shaping human experience and a central theme in anthropological study Violence Ethnographic Encounters presents a set of vivid first hand accounts of fieldwork experiences of violence The examples range across Latin America Asia the Middle East and Africa and illustrate instances of state terror insurgency communal violence war prison violence class conflict security measures and sexual violence How do these anthropologists come to know a place through such violent experience Why do they not leave such scenes What insights follow from such experience Violence Ethnographic Encounters offers readers a broad anthropological study of violence through personal encounters
