Reflections on the Seven Days of the Week. Serious Reflections on the Seven Days of the Week. Written by a Lady i.e. Catharine Talbot . A new edition ,1810 **The Seven Days of the Heart** Ibn al-'Arabī,2008 **Breakthrough Before Day Break** DARAMOLA JOEL. ODUNAYO,2022-12-25 So many people feel stuck right now It s funny though when we are stuck in life we really don t want to be stuck but at the same time there s something weird about it I mean at least it is predictable and frankly it is difficult to predict anything these days And then the days of feeling stuck turns into months the months can turn into years and gradually we settle into living stuck lifestyles Most of us will never be challenged to move

beyond being stuck because almost everyone else we know seems to be stuck too God has created you with a destiny in mind Psalm 47 4 says that God has chosen our inheritance for us That means it is providentially and custom tailored just for you It doesn't mean that we are manipulated like a puppet on strings but it does mean that flowing out of God's overwhelming and continual love are divine designs for your life Many people live with a locked door mentality which portrays that there are some areas in my life or in my circumstances that are beyond even God's ability to break through And the best they can hope for is to do their best to bear with such situation endure them to the bitter end comforting themselves with Thank God I will not have this in heaven The will of God is not and never has been to merely get you out of earth into heaven God's will is to bring the realities of heaven to bear on your circumstances RIGHT NOW That is exactly why Jesus taught us to pray Let your kingdom come The devil has absolutely no desire nor plans to bless you and yours release you and yours or restore you and yours His only desire is to kill steal and destroy But God being the perfect loving father that he is desires like any father would to give his children what they need more than they need ALL THE TIME God is not a father who reluctantly and only after a lot of arm twisting releases his blessing and provision to those who belong to him I believe that a well known story in the world is the story of David and Goliath Many of us who have grown up in church cut our teeth so to speak on this story It is familiar and popular not just with Christians but with almost everyone But I want to ask you to use your imagination and try to hear this story as though it is the first time God is bringing our people into a season of breakthrough Children who are away from God are going to come home houses are going to sell jobs are going to be secured Long standing health problems and dilemmas are going to be eradicated and healed God is bringing about advancement promotions bonuses and windfalls to this house Addictions are being broken and captives are being set free But it will not happen if we do not contend for those issues When you come to this story in 1 Samuel 17 David had already been anointed king by the prophet Samuel but before he could step into his breakthrough he had to face a giant of a problem named Goliath The breakthrough Do you know how far it is from a famine to feast It is the distance between your desperation and your breakthrough One stroke of God's favour will erase years of frustration and anxiety And no matter how much approval and success you might gain from others the favour and approval of God outshines them all One moment of experiencing a breakthrough from God will transform the darkest hour into the brightest moment You can move from a famine to feast it is really possible But how is the question

By a Lady [Catherine Talbot]. The seventh edition**, 1772 **Seven Days Verses Seven Years** Karen Swann, 2009-09 Many times we have said that we want to excel and become the best in all that we do in our lives Through the struggles and hardship we push pass the negativity and aim our way to success We start out trying to accomplish what we have long dream of and it seems like the more we try the harder it gets Let's remember that it is not that we have fail at what we do but one thing we cannot denied that indeed we

are lacking the knowledge wisdom and power in all the things that we would want to accomplish Since that is the case and we know where our problem lies we can now stop beating ourselves up Not because our problems got worst mean that we are a failure but certainly we have to understand that we are lacking what is needed to get ahead in our walk with God Often time s people try to hinder us and stop us from moving forward Even though this has been known to be a fact if we are honest with ourselves we can say that we are our own worst enemy So let us be encourage and begin walking in our Purpose and fulfill our Destiny Knowing that God has given us everything that we would need to succeed and it is up to us to grab hold of what he has already made available to us KAREN SWANN is a Preacher Teacher an Encourager and Author Karen focuses on family values the ministry of Jesus Christ building up the kingdom and she has a passion for souls and for seeing people being delivered and set free
