Shared Services In Finance And Accounting:

Shared Services in Finance and Accounting Tom Olavi Bangemann, 2017-03-02 Most large companies worldwide today have some kind of shared services concept in place Over half of the medium and large companies are currently engaged in some kind of shared service project activity The investment in shared services is always calculated in millions In other words the costs of getting it right or getting it wrong can be huge Tom Bangemann's book is a concise blueprint for identifying assessing designing implementing and improving the process for shared services in the finance and accounting function The author focuses on critical success factors the people issues involved and learning from other people's big mistakes The book includes a variety of real life examples and real benchmarking data performance metrics and best practices The section on implementation is based on a proven five phase methodology and explains the steps and activities involved as well as showing examples of the deliverables and the results you can expect Any CEO MD CFO Finance Director and senior finance people will find this book a must have guide to the process before they start and an excellent benchmark against which to measure the performance of any existing shared service operation **Improving corporate functions using shared services** Great Britain: National Audit Office, 2007-11-29 Corporate services provide often vital support to the delivery of effective and efficient public services and cover such areas as finance and accounting human resources procurement information technology facilities and estates management Sir Peter Gershon's review of public sector efficiency available on the HM Treasury website http://www.hm-treasury.gov.uk/media/C/A/efficiency_review120704 identified benefits from shared services but found that departments efficiency targets did not include savings specifically from shared corporate services This NAO report has been conducted to take account of developments between the 2004 Spending Review Cm 6237 ISBN 9780101622728 and the 2007 Comprehensive Spending Review Cm 7227 ISBN 0101722729 on shared services and focuses mainly on finance and human resources which are generally the more developed areas of shared service in the public sector The publication is divided into four parts and looks at general and specific areas including the potential of shared services in the public sector the problems of customer satisfaction experienced by the NHS and HM Prison Service with shared services the variable progress across government the lack of a clear overview from the Cabinet Office on shared services The NAO has also set out 9 recommendations including public bodies should streamline their corporate service processes in line with best practice they should also improve how they analyse the performance of their corporate services and whether there are more cost effective ways to obtain such services Departments should increase public transparency of corporate service performance **Shared Services** Donniel S. Schulman, Martin J. Harmer, John R. Dunleavy, James S. Lusk, 1999-03-08 One of the ways companies are looking for competitive advantage in this frenetic business environment is through the use of a tactical technique called shared services In this book we bridge the chasm between the theory of how a shared services operation ought to work and the practical issues involved in how to make it work how to carry out a

successful implementation of a shared service operation in your business from the Preface Gaining competitive advantage in today's fierce business environment requires focus throughout the company on value as measured by quality cost speed and service In the quest for superior performance a growing number of companies are now turning to shared services a tactical technique by which corporations can organize financial and other transaction oriented activities to reduce costs and provide better service to business unit partners Written by four authorities three PricewaterhouseCoopers consultants and the executive who has directed the shared service efforts at Lucent Technologies this comprehensive resource the first of its kind examines shared services from the macro issues that compel senior management to embrace this approach through the design and implementation of a shared services environment that leads to increased customer and shareholder value Of all the tools available for gaining competitive advantage why shared services One of the principal reasons is that it creates through consolidation of often disparate activities more of a one company feel among business units The benefits of this are twofold one it enables companies to show a consistent face to clients and customers vendors and suppliers shareholders and potential shareholders two it provides increased flexibility to all of the business operations allowing corporate leaders to maintain a global perspective while at the same time allowing business unit leaders to take strong customer focused actions Providing both a domestic and global view Shared Services addresses the full spectrum of issues including Assessing whether shared services is right for you issues to consider goals to be reached Getting started building support establishing an effective organization instituting continuous communication Setting up the infrastructure billing shared services to business units dealing with tax and legal entity issues International challenges complexity time zone legal issues currency stability and security Program and project management structures planning execution and control A groundbreaking book that examines a timely and important topic Shared Services is an accessible and thorough guide to what could be a critical component in achieving long term business success This comprehensive resource is the first to introduce explain and explore shared services an innovative business strategy that involves centralizing various business units including accounting and transactional operations to reduce costs and increase customer satisfaction Presenting a practical and easy to follow blueprint for the smooth and sound implementation of shared services in your organization Shared Services Adding Value to the Business Units covers all the fundamentals from how to get started to proper management techniques **Public**

Shared Service Centers Gerd Schwarz,2014-06-20 Gerd Schwarz analyzes the pros and cons of shared service centers for the implementation of IT finance personnel and purchasing processes and make design suggestions on the empirical study of American public companies are based at 72 It describes how through the development of shared service centers achieved cost and quality improvements and shows based on the transaction cost approach to outsourcing to the differences in detail

Shared Services in Local Government Ray Tomkinson,2017-03-02 Despite the pressure for local councils to follow the lead of the private sector and develop shared service and partnership arrangements the barriers in terms of culture

differences in priorities across councils and lack of experience are formidable yet this is the most likely source of meeting government targets for reduced overheads and improved organizational effectiveness By using extensive case studies drawn from across local councils in England Ray Tomkinson explains the implications of sharing service delivery addresses concerns about loss of control and accountability and demonstrates the potential advantages He shows how to set up collaborative ventures formal partnerships shared service centres or special purpose vehicles while pointing out possible pitfalls thus enabling senior managers to follow all the necessary project steps to create an appropriate shared service It seeks to examine the evidence of the cost effectiveness and quality improvements achieved from sharings This ground breaking book has been written for everyone in local government it explores the political and cultural barriers and legislative legal framework for joint workings explains how to find an appropriate governance vehicle and how to gain the commitment of partners It deals with political and managerial concerns risk aversion and parochial issues and the possible impact on the reputation and performance of both sharers Shared Services in Local Government is the only comprehensive study for the UK and it will ensure any public sector organization pursuing this route is able to approach the task of creating a shared service with a real understanding of the issues involved

Finance Bundling and Finance Transformation Frank Keuper,Kai-Eberhard Lueg,2013-11-13 In managerial literature the challenges of ramping up growing and enhancing a Finance Shared Services Organization are regularly neglected Therefore the compilation will address two objectives First based on a generic phase model of an SSO s development frequently arising questions related to the management of SSOs shall be systematically discussed and practicable solutions derived Secondly a picture of the future of SSOs shall be elaborated resulting in new future management implications

OMB's Financial Management Line of Business Initiative: Too Much Too Soon? Serial No. 109-164, March 15, 2006, 109-2 Hearing, *,2006 **Improving Corporate Functions Using Shared Services** Great Britain. Parliament. House of Commons. Committee of Public Accounts,2008 Corporate services provide vital support to the delivery of effective and efficient public services They include activities such as finance and accounting human resources procurement information technology facilities management and estates management Shared services are designed to improve efficiency and service quality by combining such activities across different parts of an organisation or across separate organisations The Cabinet Office has estimated the cost of finance and human resources functions across government as 7 billion a year It believes there is scope to save in the order of 1 4 billion annually through the use of shared services This report examines the Cabinet Office s efforts to improve corporate functions using shared services as well as the impact of two of the more established public sector shared services in the NHS and the Prison Service NHS Shared Business Services is a joint venture between the Department of Health and Xansa PLC selling procurement finance and accounting services to 89 NHS organisations out of a total of 416 potentially eligible NHS bodies It is not yet making a profit and has paid no dividend to either the Department of Health or Xansa It needs to attract a

further 22 customers simply to break even and approximately 180 more customers to deliver its forecast savings to the taxpayer of 250 million by 2014 15 HM Prison Service's Shared Services Centre provides finance procurement and human resources services to all 128 Prison establishments and the system is now working well [OMB's financial management line of business initiative](#) United States. Congress. House. Committee on Government Reform. Subcommittee on Government Management, Finance, and Accountability, 2006

Shared Services in Finance and Accounting Tom Olavi Bangemann, 2005 Most large companies worldwide today have some kind of shared services concept in place Over half of the medium and large companies are currently engaged in some kind of shared service project activity The investment in shared services is always calculated in millions In other words the costs of getting it right or getting it wrong can be huge Shared Services in Finance and Accounting is a concise blueprint for identifying assessing designing implementing and improving the process for shared services in the finance and accounting function Tom Bangemann focuses on critical success factors the people issues involved and learning from other people's big mistakes The book includes a variety of real life examples and real benchmarking data performance metrics and best practices The section on implementation is based on a proven five phase methodology and explains the steps and activities involved as well as showing examples of the deliverables and the results you can expect Any CEO MD CFO Finance Director and senior finance people will find this book a must have guide to the process before they start and an excellent benchmark against which to measure the performance of any existing shared service operation

Executive guide creating value through worldclass financial management. , [Local Government Shared Services Centers](#) Paweł Modrzyński, 2020-08-12 Built on independent research and financial audits of a number of newly created Shared Service Centers SSCs in Poland Local Government Shared Services Centers Management and Organization is the first book to thoroughly examine the organization development and effectiveness of the shared service market in the Polish public sector

Advanced Outsourcing Practice Leslie P. Willcocks, Mary C. Lacity, 2016-04-30 A rich database of over 2 200 outsourcing arrangements studied across sectors and geographies and over time from inception through contract signing to outcomes This book has unparalleled insight into the robust practices that have been proven effective time and again

Shared Services and Outsourcing: A Contemporary Outlook Julia Kotlarsky, Ilan Oshri, Leslie P. Willcocks, 2016-09-27 This book constitutes the revised selected papers from the 10th Global Sourcing Workshop held in Val d'Isère France in February 2016 The 11 papers presented in this volume were carefully reviewed and selected from 47 submissions The book offers a review of the key topics in outsourcing and offshoring of information technology and business services offering practical frameworks that serve as a tool kit to students and managers The range of topics covered is wide and diverse but predominately focused on how to achieve success in shared services and outsourcing More specifically the book examines outsourcing decisions and management practices giving specific attention to shared services that have become one of the dominant sourcing models The topics discussed combine theoretical and

practical insights regarding challenges that industry leaders policy makers and professionals face or should be concerned with Case studies from various organizations industries and countries such as UK Italy The Netherlands Canada Australia and Denmark complete the book **The Practice of Outsourcing** Mary C. Lacity, Leslie P. Willcocks, 2009-06-25 A close look at the main developments in IT business processes and offshore outsourcing This book studies these topics in both theory and practice exploring the rising prominence of outsourcing with a multi dimensional contextual perspective
