Keys To The Deeper Life Aw Tozer:

Keys to the Deeper Life A.W. Tozer, 2019 Wherever Christians meet these days one word is sure to be heard constantly repeated that word is revival In sermon song and prayer we are forever reminding the Lord and each other that what we must have to solve all our spiritual problems is a mighty old time revival The religious press too has largely gone over to the proposition that revival is the one great need of the hour and anyone who is capable of preparing a brief for revival is sure to find many editors who will publish it So strongly is the breeze blowing for revival that scarcely anyone appears to have the discernment or the courage to turn around and lean into the wind even though the truth may easily lie in that direction

Pentecostals accept some elements of Simpson's teaching and rejected or modified others but Nienkirchen argues persuasively the case for Simpson's importance in understanding Pentecostalism moreover he clearly illustrates specific ways both direct and indirect in which that influence was felt in the complex story of early holiness pentecostal relationships William Pitts Professor of Church History Baylor University Charles Nienkirchen has supplied those interested in the history and theology of American Evangelicalism the Christian and Missionary Alliance or the Pentecostal movement with an invaluable reference tool and an interpretive lens through which to understand them This must read has shown its worth by remaining as relevant informative and provocative as when it first went to press Bernie A Van De Walle Associate Professor of Historical and Systematic Theology Ambrose University College and Seminary Calgary AB In A B Simpson and the Pentecostal Movement Charles Nienkirchen has combined prodigious research with mastery of historical and theological sources to produce a superb study of Simpson's relationship with early pentecostalism This is a most important and useful work Randall Balmer Barnard College Columbia University
