Management and the Arts William J. Byrnes, 2014-09-19 The fifth edition of *Management and the Arts* discusses the theory and practical applications from all arts management perspectives including planning, marketing, finance, economics, organization, staffing, and group dynamics. Revised to reflect the latest thinking and trends in managing organizations and people, this fifth edition features class-tested questions in each chapter which help students to integrate the material and develop ideas about how the situations and problems could have been handled. Statistics and real-world examples illustrate all aspects of arts managements from budgeting and fundraising to e-marketing and social networking to working effectively with boards and staff members. Case studies focus on the challenges facing managers and organizations every day, and in the News quotes provide real-world examples of principles and theories. Students in Arts Management university courses along with arts managers in a theatre, museum, dance company, and opera will gain useful insights into strategic planning, organization, and integrated management theories with this book. **Management, Binder Ready Version** John R.
