Generative AI in Practice Bernard Marr, 2024-03-25 An indispensable look at the next frontier of technological advancement and its impact on our world. Generative AI is rewriting the rulebook with its seemingly endless capabilities from crafting intricate industrial designs, writing computer code, and producing mesmerizing synthetic voices to composing enchanting music and innovating genetic breakthroughs. In *Generative AI in Practice*, renowned futurist Bernard Marr offers readers a deep dive into the captivating universe of GenAI. This comprehensive guide introduces you to the basics of this groundbreaking technology and outlines the profound impact that GenAI will have on business and society. Professionals, technophiles, and anyone with an interest in the future will need to understand how GenAI is set to redefine jobs, revolutionize business, and question the foundations of everything we do. In this book, Marr sheds light on the most innovative real-world GenAI applications through practical examples, describing how they are moulding industries like retail, healthcare, education, finance, and beyond. You'll enjoy a captivating discussion of innovations in media and entertainment, seismic shifts in advertising, and the future trajectory of GenAI. You will navigate the complex landscapes of risks and challenges posed by Generative AI. Delve into the revolutionary transformation of the job market in the age of GenAI. Understand AI's transformative impact on education, healthcare, and retail. Explore the boundless potentials in media, design, banking, coding, and even the legal arena. Ideal for professionals, technophiles, and anyone eager to understand the next big thing in technology. *Generative AI in Practice* will equip readers with insights on how to implement GenAI, how GenAI is different to traditional AI, and a comprehensive list of generative AI tools available today.

Strategic Leadership of Change in Higher Education Stephanie Marshall, 2025-06-25 The fully updated third edition of *Strategic Leadership of Change in Higher Education* provides a clear overview of the basic principles of effective leadership and management of change and assists strategic leaders to better contextualise both globally and more locally the external environment in which they are operating. It provides case studies and stories from exemplary globally strategic leaders who have led their universities through the complexities of the pandemic, have come out the other side stronger and more resilient, and who continue to adapt. This third edition has been updated with consideration of the significant changes in global factors, including the pandemic. It reflects on the ways in which the pandemic was a watershed moment for higher education institutions, reassesses the environment in which universities operate today, facing demanding higher education policy and regulation, tough financial circumstances, and unabating technological developments. It re-examines the insights and initiatives from the second edition, asking how changes in our collective conscience and knowledge are reflected in our ways of working and execution of change. Includes a concluding 'Looking Forward' section integrating and distilling the diverse approaches of successful leaders, offering narratives on how to navigate the rapidly changing landscape with reflective action. This key title is crucial reading for all those involved in leadership and management positions in higher education. With an emphasis on

principles of strategic and contextual thinking and problem solving alongside a strong commitment to shared values as key ingredients to the success of strategic leaders this book provides expert commentary and global insights This cutting edge text will continue to provide higher education leaders and managers with insights against which to benchmark their approaches supporting them to stay ahead of the curve
