

Language & Gender

— A Reader, 2nd Edition

Edited by Jennifer Coates
and Pia Pichler

WILEY Blackwell

Language And Gender A Reader

Amy Dunham Strand

Language And Gender A Reader:

Language and Gender Pia Pichler, 2011-03-14 The new edition of *Language and Gender A Reader* responds to the wealth of research that has shaped the field since its initial publication in 1998. Retaining many of the foundational entries that have made the volume so popular, the second edition has been fully revised and now includes 23 new articles and two entirely new sections. A fully revised new edition of this popular Reader which explores the widening range of language and gender research both geographically and socially along with changing theoretical and methodological approaches. Combines the very latest research with classic works that established the field. Features 23 new articles spanning 1997-2009 and two new sections on language gender and sexuality and the relevance of gender in the analysis of spoken interaction. Draws on research from all over the world including Brazil, China and Japan as well as North America and Europe. Discusses a wide range of topics including single and mixed sex talk, language gender and power, gendered talk in the public domain and language gender and sexuality. Includes accessible introductions to each section which contextualize each entry.

Language and Gender Jennifer Coates, 2017-07-26 *Language and Gender A Reader* By Jennifer Coates Language and Gender Mary Talbot, 2019-12-18 Since its first publication in 1998, Mary Talbot's *Language and Gender* has been a leading textbook popular with students for its accessibility and with teachers for the range and depth it achieves in a single volume. This anticipated third edition has been thoroughly revised and updated for the era of MeToo, genderqueer, Trump and cyberhate. The book is organized into three parts. An introductory section provides grounding in early classic studies in the field. In the second section, Talbot examines language used by women and men in a variety of speech situations and genres. The last section considers the construction and performance of gender in discourse, reflecting the interest in mass media and popular culture found in recent research as well as the preoccupation with social change that is central to Critical Discourse Analysis. Maintaining an emphasis on recent research, Talbot covers a range of approaches at an introductory level, lucidly presenting sometimes difficult and complex issues. Each chapter concludes with a list of recommended readings, enabling students to further their interests in various topics. *Language and Gender* will continue to be an essential textbook for undergraduates and postgraduates in linguistics, sociolinguistics, cultural and media studies, gender studies and communication studies.

The Routledge Handbook of Language, Gender, and Sexuality Jo Angouri, Judith Baxter, 2021-04-26 Shortlisted for BAAL (British Association for Applied Linguistics) Book Prize 2022. The *Routledge Handbook of Language Gender and Sexuality* provides an accessible and authoritative overview of this dynamic and growing area of research. Covering cutting edge debates in eight parts, it is designed as a series of mini-edited collections, enabling the reader and particularly the novice reader to discover new ways of approaching language gender and sexuality. With a distinctive focus both on methodologies and theoretical frameworks, the Handbook includes 40 state-of-the-art chapters from international authorities. Each chapter provides a concise and critical discussion of a methodological approach, an empirical

study to model the approach a discussion of real world applications and further reading Each section also contains a chapter by leading scholars in that area positioning through their own work and chapters in their part current state of the art and future directions This volume is key reading for all engaged in the study and research of language gender and sexuality within English language sociolinguistics discourse studies applied linguistics and gender studies **Language, Gender, and Citizenship in American Literature, 1789-1919**, **Language Sciences**, 1999 *Language, Gender, and Citizenship in American Literature, 1789-1919* Amy Dunham Strand, 2008-08-27 Examining language debates and literary texts from Noah Webster to H L Mencken and from Washington Irving to Charlotte Perkins Gilman this book demonstrates how gender arose in passionate discussions about language to address concerns about national identity and national citizenship elicited by 19th century sociopolitical transformations Together with popular commentary about language in Congressional records periodicals grammar books etiquette manuals and educational materials literary products tell stories about how gendered discussions of language worked to deflect nationally divisive debates over Indian Removal and slavery to stabilize mid 19th century sociopolitical mobility to illuminate the logic of Jim Crow and to temper the rise of New Women and New Immigrants at the end and turn of the 19th century Strand enhances our understandings of how ideologies of language gender and nation have been interarticulated in American history and culture and how American literature has been entwined in their construction reflection and dissemination Encyclopedia of Language & Linguistics E. K. Brown, 2006 Language, Gender and Feminism Sara Mills, Louise Mullany, 2011-05-09 Language Gender and Feminism introduces students to key theoretical perspectives methodology and analytical frameworks in the field of feminist linguistic analysis providing readers with a comprehensive survey of the current state of the field **Gender and Language Research Methodologies** Kate Harrington, 2008-07-10 An up to date overview by actual practitioners of key research methodologies currently used in language and gender study *Japanese Language, Gender, and Ideology* Shigeko Okamoto, Janet S. Shibamoto Smith, 2004-10-28 This is a collection of previously unpublished articles by established as well as promising young scholars in Japanese language and gender studies Language, Gender and Children's Fiction Jane Sunderland, 2011-01-13 Looks at gender in relation to children's fiction And The role that language plays in this relationship **Language and Gender** Angela Goddard, Lindsey Meân Patterson, Lindsey Mean, 2009 This study explores aspects of discourse and the way discourses in society represent ideas about the sexes It reveals how texts are covertly gendered with embedded ideas about the way men and women are **Handbook of the Psychology of Women and Gender** Rhoda K. Unger, 2001-03-30 Edited by a leader in feminist psychology this text features focused coverage of the major areas of the developmental biological social and intrapersonal aspects of women and gender Southern African Linguistics and Applied Language Studies, 2004 **International Encyclopedia of the Social & Behavioral Sciences** Neil J. Smelser, Paul B. Baltes, 2001 The largest work ever published in the social and behavioural sciences It contains 4000 signed articles 15 million

words of text 90 000 bibliographic references and 150 biographical entries **Language and Gender** ,1993 Produced for unit ECS816 Language and gender offered by the Faculty of Education in Deakin University s Open Campus Program

Gender Across Languages Marlis Hellinger,Hadumod Bussmann,2001 This is the first of a three volume comprehensive reference work on Gender across Languages which provides systematic descriptions of various categories of gender grammatical lexical referential social in 30 languages of diverse genetic typological and socio cultural backgrounds Among the issues discussed for each language are the following What are the structural properties of the language that have an impact on the relations between language and gender What are the consequences for areas such as agreement pronominalisation and word formation How is specification of and abstraction from referential gender achieved in a language Is empirical evidence available for the assumption that masculine male expressions are interpreted as generics Can tendencies of variation and change be observed and have alternatives been proposed for a more equal linguistic treatment of women and men This volume and its follow up volumes will provide the much needed basis for explicitly comparative analyses of gender across languages All chapters are original contributions and follow a common general outline developed by the editors The book contains rich bibliographical and indexical material Languages of Volume 1 Arabic Belizean Creole Eastern Maroon Creole English American New Zealand Australian Hebrew Indonesian Romanian Russian Turkish

GenderSpeak: Personal Effectiveness in Gender Communication Diana K. Ivy,Phil Backlund,2004 Designed for a junior or senior course this comprehensive text focuses on gender s impact on communication Engaging and timely topics addressed in it range from the nature vs nurture debate to the effects of media on gender communication and personal relationships

Currents in African Literature and the English Language ,2013-05
