Viral Mythology Marie D. Jones,Larry Flaxman,2014-01-20 Behind every myth fairy tale and legend hidden within the art song and structures of ancient times is an encoded layer of wisdom science and truth passed down throughout history This book will examine how information went viral long before the Internet and served as the foundation for mythology sacred architecture and symbolic imagery throughout the ancient world Viral Mythology reveals How primitive and ancient cultures conveyed cutting edge scientific knowledge in their origin stories and myths Why esoteric knowledge was hidden in symbols art and architecture during times of religious oppression and persecution How stories songs and art served to describe actual historical events Why diverse civilizations told the same stories and created the same art with common themes and symbols despite no apparent communication From the great myths of the Greek Roman and Norse to the texts of the world s major religions from folklore and fairy tales of old to sacred edifices and monuments from cave paintings to the mysterious symbology of the Tarot Viral Mythology uncovers the information highway of the past and explores how it affects the more modern methods of communication today It all began once upon a time

X-Treme Possibilities Paul Cornell,Martin Day,Keith Topping,2013-10-31 Open your mind to extreme possibilities Scully s desire to be recognised as a medical doctor ooze mouthfuls of difficult dialogue and the tendency for characters not to make it through the pre titles sequence were just a few of the tragically underexamined elements of THE X FILES phenomenon until the first edition of this book Now the authors take their study of televisions weirdest show through to the end of series five and THE X FILES movie X TREME POSSIBILITIES presents a unique analysis of the programme that transformed US television While sometimes witty and light hearted this volume is also a serious study of the elements that made the show such a success As well as a detailed episode guide of the first five seasons the book pieces together the nature of the series Conspiracy and attempts to discover just what the truth is Never before has THE X FILES been put under such focused affectionate and bizarre scrutiny Please note this new release of the second edition has not been updated
