Cross-Linguistic Transfer of Writing Strategies Karen Forbes, 2020-10-19 In the context of increasingly multilingual global educational settings this book provides a timely exploration of the phenomenon of cross linguistic transfer of writing strategies in particular transfer from the foreign language to the first language and presents a compelling case for a multilingual approach to writing pedagogy The book presents evidence from a classroom based intervention study conducted in a secondary school in England on cross linguistic strategy transfer It suggests that even beginner or low proficiency foreign language learners can develop effective skills and strategies in the foreign language classroom which can also positively influence writing in other languages including their first language This book ultimately encourages more joined up cross curricular cross linguistic thinking related to language in schools by exploring the potential for collaboration between languages teachers

Girls to the Rescue Emily Hamilton-Honey, Susan Ingalls Lewis, 2020-05-25 During World War I as young men journeyed overseas to battle American women maintained the home front by knitting fundraising and conserving supplies These became daily chores for young girls but many longed to be part of a larger more glorious war effort and some were A new genre of young adult books entered the market written specifically with the young girls of the war period in mind and demonstrating the wartime activities of women and girls all over the world Through fiction girls could catch spies cross battlefields man machine guns and blow up bridges These adventurous heroines were contemporary feminist role models creating avenues of leadership for women and inspiring individualism and self discovery The work presented here analyzes the powerful messages in such literature how it created awareness and grappled with the engagement of real girls in the

United States and Allied war effort and how it reflects their contemporaries awareness of girls importance **The Royal Marsden Manual of Clinical Nursing Procedures** Lisa Dougherty,Sara Lister,Alex West-Oram,2015-03-17 The Royal Marsden Manual of Clinical Nursing Procedures has been the number one choice for nurses since it first published over 30 years ago One of the world s most popular books on clinical skills and procedures it provides detailed procedure guidelines based on the latest research findings and expert clinical advice enabling nurses and students to deliver clinically effective patient focused care The ninth edition of this essential definitive guide written especially for pre registration nursing students now includes a range of new learning features throughout each chapter that have been designed to support student nurses to support learning in clinical practice Providing essential information on over 200 procedures this manual contains all the skills and changes in practice that reflect modern acute nursing care *Big Data Technologies for Monitoring of Computer Security: A Case Study of the Russian Federation* Sergei Petrenko,2018-05-17 This timely book offers rare insight into the field of cybersecurity in Russia a significant player with regard to cyber attacks and cyber war Big Data Technologies for Monitoring of Computer Security presents possible solutions to the relatively new scientific technical problem of developing an early warning cybersecurity system for critically important governmental information assets Using the work being done in Russia on new information security systems as a case study the book shares valuable insights gained during the process of designing and constructing open segment prototypes of this system Most books on cybersecurity focus solely on the technical aspects But Big Data Technologies for Monitoring of Computer Security demonstrates that military and political considerations should be included as well With a broad market including architects and research engineers in the field of information security as well as managers of corporate and state structures including Chief Information Officers of domestic automation services CIO and chief information security officers CISO this book can also be used as a case study in university courses **Creating Digital Literacy Spaces for Multilingual Writers** Joel Bloch,2021-01-27 This book argues for the value of digital literacy in the multilingual writing classroom Against the background of huge changes in literacy practices prompted by online communication and a growing acceptance of a broader definition of academic literacy that encompasses multimodality the book examines the relationship between digital and print literacies and addresses the design of literacy spaces for multilingual classrooms The author critically evaluates the latest developments in the use of technology in multilingual writing spaces and focuses on the role of teachers in their design it also addresses areas that are not often discussed in relation to multilingual students from blogging to publishing and intellectual property The book will help teachers meet the challenges created by rapidly shifting technology as well as making an innovative contribution to research on multilingual writing classrooms **Routledge Handbook of Nuclear Proliferation and Policy** Joseph Pilat,Nathan Busch,2015-05-15 This new Handbook is a comprehensive examination of the rich and complex issues of nuclear proliferation in the early 21st century The future of the decades long effort to prevent the further spread of weapons of mass destruction

is at a crossroads today. If international nonproliferation efforts are to be successful, an integrated multi-tiered response will almost certainly be necessary. A serious, thorough, and clear-eyed examination of the range of threats, challenges, and opportunities facing the international community is a necessary first step. This Handbook, which presents the most up-to-date analysis and policy recommendations on these critical issues by recognized leading scholars in the field, intends to provide such an examination. The volume is divided into three major parts. Part I presents detailed threat assessments of proliferation risks across the globe, including specific regions and countries. Part II explains the various tools developed by the international community to address these proliferation threats. Part III addresses the proliferation risks and political challenges arising from nuclear energy production, including potential proliferation by aspiring states and nonstate groups. This Handbook will be of great interest to students and practitioners of nuclear proliferation, arms control, global governance, diplomacy, and global security, and IR generally.

Biography-Driven Culturally Responsive Teaching, Second Edition Socorro G. Herrera, 2016-01-27. Culturally responsive pedagogy literacy and English learner education expert Socorro Herrera has updated this bestseller to clarify focus and redefine concepts for the continued professional development of educators serving culturally and linguistically diverse CLD populations. Teaching strategies and tools have been updated to reflect important new brain research and to keep pace with our nation's ever-changing demographics and constant shift in expectations for K-12 students. Herrera has also revised the structure and format of the book to help educators find information quickly while working in highly complex and demanding environments. New for the Second Edition: Teaching strategies and tools based on the most current knowledge in the field; Authentic classroom artifacts that have been collected from teachers across the country; Glossary of key terms providing an auxiliary resource for current readers and for future applications of content in professional practice; Reorganized features with new icons providing a more user-friendly text for practitioner and classroom use; Updated excerpts from grade-level classroom teachers clarifying practice with CLD students and families; Additional planning and instructional aids available for free at www.tcpres.com. Grounded in the latest theory and with more user-friendly features, the Second Edition of *Biography-Driven Culturally Responsive Teaching* will help educators to reflect on their assumptions and perspectives, integrate best practices, and accelerate CLD students' academic learning. Socorro Herrera does a masterful job of mediating multicultural education theory and practice specifically for culturally and linguistically diverse students in *Biography-Driven Culturally Responsive Teaching*. From the Foreword by Geneva Gay, University of Washington, Seattle.
