Ciego De Nieve:

Ciego de nieve Robert Sabbag, 2018-06-17 Cuando se publico por primera vez a mediados de los años sesenta Ciego de nieve se erigió en una pieza esencial de la literatura delictiva. Calificado de reportaje extraordinario, *The New Yorker* es una mirada febril desenfadada y ya clásica al negocio de la cocaína a través de los ojos del legendario traficante Zachary Swan. En su breve y fulgurante carrera desarrollada en la década de los sesenta Swan proveyó a una clientela elegante. Para ello se movió entre Bogotá y los clubes nocturnos de Nueva York e ideó tretas ingeniosas para burlar a los federales. Mientras creaba maniobras de distracción genuinamente barrocas y sobrevivía gracias a su ingenio y fortuna descubrió en el camino un mundo peligroso y desbocado que Robert Sabbag evoca con extraordinaria fuerza y humor. Este fascinante relato es una desafortunada visión de primera mano de un submundo poblado por dementes y desgarrado por la paranoia. El resultado es un libro esclarecedor y salvaje que influye a toda una generación de escritores y traficantes. *El curioso caso de Benjamin Button* Francis Scott Fitzgerald, 1922-01-01 El Curioso Caso de Benjamin Button cuenta la historia de Benjamin Button, un hombre que nace con el cuerpo de una persona de 90 años y que con el transcurso del tiempo va rejuveneciendo. Selected by a team of poets and prominent Neruda scholars in both Chile and the U.S., this is a definitive selection that draws from the entire breadth and width of Neruda's various styles and themes. An impressive group of translators that includes Alistair Reid, Stephen Mitchell, Robert Hass, Stephen Kessler, and Jack Hirschman have come together to revisit or completely retranslate the poems, and a handful of previously untranslated works are included as well. This selection sets the standard for a general high-quality introduction to Neruda's complete oeuvre. Pablo Neruda was born in Chile in 1904. He received the Nobel Prize for Literature in 1971. **Quizás Estoy Loco** Indira Killen, 2012-08 Indira Killen nació un 14 de febrero en el Puerto del Callao, perteneciente a Lima, Perú. Desde los ocho años mostró pasión por la lectura y escritura; sus notas más altas las obtuvo en artes, historia universal y lengua. Fue a esa edad que escribió su primer cuento titulado *En el fondo de su ser*. Ella era buena, donde describe frustración de una niña a la cual, con su mala conducta, trataba de lograr la atención de los demás, pero en especial de sus padres. Indira se destacó en los deportes.

especialmente en Atletismo luego demostró su talento en Teatro pudiendo hacer el papel de varón sin problema alguno tan solo por actuar Su madre y su hermana mayor Ruth tuvieron que ver mucho en su formación su madre era cantante en el coro de la Iglesia y fue así que ella también formó parte de este Su hermana se destacó por sus trabajos de dibujos pero también por escribir poemas lo cual alentó a Indira para iniciarse en los escritos A los 20 años formó parte de un grupo de salsa como cantante pero nunca dejó de escribir uno de sus poemas lo tituló *If with your Hands* que se lo dedicó a su esposo Adam también escribió tres obras teatrales *Who killed Love* basada en un autor anónimo *Tiempo de Hadas* y *The Liar that I love* Fue una escritora fantasma pero ahora ha decidido mostrar su trabajo al resto Madre de 4 hijos y viviendo en Canadá empezó sus trabajos y piensa seguir escribiendo hasta el final de sus días Demos un vistazo a su trabajo y dejemos que su imaginación nos envuelva y nos haga parte de sus historias

Translating Neruda John Felstiner, 1980 What goes into the translating of a poem Usually that process gets forgotten once the new poem stands intact in translation Yet a verse translation derives from historical biographical and philosophical research interpretive analysis of the original poem and continuous linguistic and prosodic choices that parallel those the poet made Taking as a text Pablo Neruda's brilliant prophetic sequence *Alturas de Macchu Picchu* 1945 the author here recreates the entire process of translation from his first encounter with the poem to the last shaping of a phrase that may never come right in English This many faceted book forms an essay on the theory and practice of literary translation a study of Neruda's career through 1945 and an interpretation of his major poem all of which lead to a striking new poem in English *Heights of Macchu Picchu* printed along with the original Spanish This genesis of a verse translation also includes little known biographical data hitherto untranslated poems and prose from the years 1920 to 1945 and new translations of key poems from Neruda's *Residence on Earth* and *Spain in My Heart*

Gramática castellana Everett Ward Olmsted, Arthur Gordon, 1911 It is the aim of this grammar to offer a practical and thorough course in Spanish suitable alike for schools and colleges and to make the presentation of the subject conform to the most advanced methods of teaching a living language
