Midnight Sister Souljah, 2010-11-30 New York Times bestselling author *Life After Death*, the hip-hop generation's beloved and most compelling storyteller, delivers a powerful story about love and loyalty, strength and family. In her bestselling novel *The Coldest Winter Ever*, Sister Souljah introduced the world to Midnight, a brave but humble lieutenant to a prominent underworld businessman. So when Midnight's father's empire is attacked, he sends Midnight with his mother to the United States. In the streets of Brooklyn, a young Midnight uses his Islamic mind, set, and African intelligence to protect the ones he loves, build a business, reclaim his wealth and status, and remain true to his beliefs. Midnight, a handsome and passionate young man, attracts many women. How he interacts and deals with them is a unique adventure. Brooklyn Fictions James Peacock,2014-11-20 Vast and diverse Brooklyn is often portrayed in literature as a place of traditional community values and face to face relations distinct from anonymous capital driven Manhattan Brooklyn Fictions discovers what such representations of the New York borough can teach us about diversity and the individual the local and the global Combining analysis of popular texts such as Sister Souljah s The Coldest Winter Ever with more canonical novels such as Jonathan Lethem s The Fortress of Solitude this study draws on the work of a variety of theorists on community and globalization and

uses Brooklyn as a case study for an exploration of the complex relationship between romantic ideals of community and global economic forces. With cities often depicted as sites of conflict and fear, this is a crucial contribution to our understanding of the contemporary urban community and the ethical issues involved in conceptualizing and portraying it in literature.

The Weird Sister Collection Marisa Crawford, 2024-02-13. Collecting the best of the underground blog *Weird Sister*, these unapologetic and insightful essays link contemporary feminism to literature and pop culture. Launched in 2014, *Weird Sister* proudly staked out a corner of the internet where feminist writers could engage with the literary and popular culture that excited or enraged them. The blog made space amid book websites dominated by white male editors and contributors and also committed to covering literary topics in depth when larger feminist outlets rarely could. Throughout its decade-long run, *Weird Sister* served as an early platform for some of contemporary literature's most striking voices, naming itself a website that "speaks its mind and snaps its gum and doesn't apologize." Edited by founder Marisa Crawford, *The Weird Sister Collection* brings together the work of longtime contributors such as Morgan Parker, Christopher Soto, Soleil Ho, Juli n Delgado Lopera, Virgie Tovar, Jennifer Tamayo, and more, alongside new original essays. Offering nuanced insight into contemporary and historical literature in conversation with real life and timely social issues, these pieces mark a transitional and transformative moment in online and feminist writing.

Interrupted Life Rickie Solinger, Paula C. Johnson, Martha L. Raimon, Tina Reynolds, Ruby Tapia, 2010-01-25. *Interrupted Life* is a gripping collection of writings by and about imprisoned women in the United States, a country that jails a larger percentage of its population than any other nation in the world. This eye-opening work brings together scores of voices from both inside and outside the prison system, including incarcerated and previously incarcerated women, their advocates and allies, abolitionists, academics, and other analysts. In vivid, often highly personal essays, poems, stories, reports, and manifestos, they offer an unprecedented view of the realities of women's experiences as they try to sustain relations with children and family on the outside, struggle for healthcare, fight to define and achieve basic rights, deal with irrational sentencing systems, remake life after prison, and more. Together, these powerful writings are an intense and visceral examination of life behind bars for women, and taken together, they underscore the failures of imagination and policy that have too often underwritten our current prison system.

Teaching Tainted Lit Janet G. Casey, 2015-11-15. Popular American fiction has now secured a routine position in the higher education classroom despite its historic status as culturally suspect. This newfound respect and inclusion have almost certainly changed the pedagogical landscape, and *Teaching Tainted Lit* explores that altered terrain. If the academy has historically ignored or even sneered at the popular, then its new accommodation within the framework of college English is noteworthy. Surely the popular introduces both pleasures and problems that did not exist when faculty exclusively taught literature from an established high canon. How, then, does the assumption that the popular matters affect teaching strategies, classroom climates, and both personal and institutional notions about what it means to study literature? The essays in this collection presume that the popular is here to

stay and that its instructive implications are not merely noteworthy but richly nuanced and deeply compelling They address a broad variety of issues concerning canonicity literature genre and the classroom as its contributors teach everything from Stephen King and Lady Gaga to nineteenth century dime novels and the 1852 best seller Uncle Tom s Cabin It is no secret that teaching popular texts fuels controversies about the value of cultural studies the alleged relaxation of aesthetic standards and the possible dumbing down of Americans By implicitly and explicitly addressing such contentious issues these essays invite a broader conversation about the place of the popular not only in higher education but in the reading lives of all Americans Check it While I Wreck it Gwendolyn D. Pough,2004 Examines how young black women who came of age during the hip hop era are grappling with the gender politics of a predominately masculine space
