Christian Science Love In The Johannine:

God, Revelation and Authority: God Who Stands and Stays (Vol. 6) Carl F. H. Henry, 1999-01-25 Part 6 in a monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done *The Christian Science Journal*, 1921 Causation, Viewed in the Light of Christian Science Frederick Dixon, 1911 **Christian Origins and the Establishment of the Early Jesus Movement** Stanley E. Porter, Andrew W. Pitts, 2018-08-07 Christian Origins and the Establishment of the Early Jesus Movement explores the events people and writings surrounding the founding of the early Jesus movement in the mid to late first century The essays are divided into four parts focused upon the movement's formation the production of its early Gospels description of the Jesus movement itself and the Jewish mission and its literature This collection of essays includes chapters by a global cast of scholars from a variety of methodological and critical viewpoints and continues the important Early Christianity in its Hellenistic Context series *Christian Science. Pamphlets: Causation [by] Frederick Dixon.-The divine nature.-Prayer and healing.-Upward footsteps.-Seeking and finding*, 1911 **Social Science and the Christian Scriptures, Volume 3** Anthony J. Blasi, 2017-04-13 Sociologist Anthony Blasi analyzes early Christianity using multiple social scientific theories including those of Max Weber Georg Simmel Karl Marx Antonio Gramsci Max Scheler Alfred Schutz and contemporary theorists He investigates the canonical New Testament books as representative of early Christianity a sample based on usage and he takes the books in the chronological order in which they were written The result is a series of stills that depict the movement at different stages in its development His approaches often neglected in New Testament studies include such sociological subfields as sect theory the routinization of charisma conflict stratification theory stigma the sociology of knowledge new religions the sociology of secrecy marginality liminality syncretism the social role of intellectuals the poor person as a type the sick role degradation ceremonies populism the sociology of migration the sociology of time mergers the sociology of law and the sociology of written communication Needing to treat the New Testament text as social data Blasi uses his background in biblical studies and a review of a vast literature to establish the chronology of the compositions of the New Testament books and to present the data in a new translation that is accessible to non specialists Love in the Gospel of John Francis J. SDB Moloney, 2013-11-19 The command to love is central to the Gospel of John Internationally respected scholar Francis Moloney offers a thorough exploration of this theme focusing not only on Jesus's words but also on his actions Instead of merely telling people that they must love one another Jesus acts to make God's love known and calls all who follow him to do the same This capstone work on John's Gospel uses a narrative approach to delve deeply into a theme at the heart of the Fourth Gospel and the life of the Christian church Uniting rigorous exegesis with theological and pastoral insight it makes a substantive contribution to contemporary Johannine scholarship **A Theology of Love** Werner G. Jeanrond, 2010-01-21 This book explores the different dimensions of Christian love It argues that all expressions of love are

Lesław Daniel Chrupcała,2014-05-29T00:00:00+02:00 The idea of dedicating a Festschrift to honor Professor Fr d ric Manns on the happy occasion of his 70th birthday came to mind in the autumn of 2011 and work on this project had been continuing ever since Felicitously achieving this goal the Faculty of Biblical Sciences and Archaeology Studium Biblicum Franciscanum and the Franciscan Custody of the Holy Land present this volume to Father Manns with gratitude for his profound scholarship and a lifetime service in the Holy Land Perusing through Father Manns writings it is easy to see a prominent and distinctive place devoted to the Gospel of John It seemed therefore suitable to focus on this subject in the Festschrift honoring him the title Rediscovering John relates to Manns significant contribution towards the better understanding of the Fourth Gospel The volume comprises 21 studies authored by renowned scholars from various parts of the world from different institutions and denominations While the first half of the studies examines general issues history of interpretation textual transmission intertextuality theological themes archaeology the second half treats literary narrative and exegetical approaches to particular texts of the Fourth Gospel We augur that this rich collection will help to stimulate further discussion and reflection on the Gospel of John as well as constitute an incentive to an already distinguished scholar to continue writing challenging and thought provoking essays and books from the Foreword by the Editor **Christian Science Sentinel** ,1917 **Encyclopedia of Love in World Religions** Yudit Kornberg Greenberg,2007-11-15 This is the first comprehensive resource on the subject of love in the teachings of the world s major religions cultures and philosophies Encyclopedia of Love in World Religions is the first reference work to offer a comprehensive portrait of love in the context of the classic and contemporary literature of Judaism Christianity Islam Buddhism and Hinduism as well as other cultures and philosophies Like no volume published to date it reveals the full richness of religious teachings on love in all its many forms exploring an extensive range of topics that offer philosophical psychological and religious perspectives to guide the quest for the meaning of love Encyclopedia of Love in World Religions features approximately 300 subject entries as well as insightful biographic sketches of preeminent thinkers all written by a multidisciplinary team of some of the foremost scholars on the subject Entries examine both general and culture specific interpretations of love not just the dichotomy of spiritual and physical love but the full emotional spectrum of love in relationships and practices Collectively they encompass love s integral and sometimes conflicting role in shaping beliefs and behavior in a vastly diverse world A Love Supreme Allen Dwight Callahan, Callahan suggests that scholars have wrongly placed the sequence and therefore the importance of the works collectively known as the Johannine tradition the Gospel of John and the Johannine Epistles His proposal includes literary theological and historical analysis as he argues for the reevaluation of a significant part of the biblical canon **Love of Friendship in the Christian Life** Jonathan Sammut,2019-12-27 Theological reflection on friendship as a particular form of Christian love emerges in Holy Scripture and continues to be elaborated in the Christian tradition However love of friendship

was at times absorbed into the other traditional understanding of love love of God and of neighbor After a philosophical historical study of the Greco Roman roots of friendship in moral reflection and how and to what extent this was appropriated in the Christian tradition this book illustrates the transcendental character and the novelty of the Christian understanding of friendship found in Holy Scripture focusing particularly on the most relevant texts in the Fourth Gospel where love and friendship stand to be important themes It also shows how Saint Thomas Aquinas through his exegesis of the Fourth Gospel his synthesis of the Christian tradition and his ability to rearticulate Christian theology through Aristotelian philosophy inimitably defines the theological virtue of caritas as friendship with God In so doing he depicts friendship as the finality the telos of the Christian life Finally the book aims to show how the retrieval of a proper theology of friendship rooted in Holy Scripture and Christian tradition can enrich the life of an authentic Christian and contribute to the ongoing process of renewing moral theology

A Grammar of the Ethics of John Jan G. van der Watt, 2019-11-12 Jan G van der Watt analyses in detail the ethics of John's letters against their respective socio historical backgrounds He then compares the ethics of the Gospel and Letters showing that the basic core narrative overlaps in these writings although some ethical material is applied in different ways to different situations A rich ethical landscape is revealed addressing issues like the importance of interpersonal relations which results in co operation through mutual love The author shows that the focus in 1 John is pastoral aiming at convincing the addressees not to be deceived by their schismatics but to strengthen their relationships with the eyewitness group In 2 John advice is given about visitors who threaten the church with false teachings while 3 John deals with a conflict about receiving travelling missionaries In both cases ethical guidelines are given which aim at protecting the group
