fourth and final Colin and Martin Christmas story sees the two men leaving Yorkshire to begin new lives in Australia Martin Kellam has no qualms about saying goodbye to what remains of his family while Colin s parting gift to Martin s brother is a well deserved punch in the nose Before leaving the two men have one final Christmas in London with Colin s parents who are pulling out all the stops to make it an occasion to remember Martin enjoys teasing his husband He knows Colin can never resist going in search of presents before Christmas Day As this is their last winter Christmas Martin boxes up a lump of coal and puts it somewhere where Colin will find it The festivities are brought to an abrupt halt when Colin s mother reveals disturbing news that throws Colin and Martin s emigration plans into turmoil Despite Martin s much needed comfort and reassurance Colin is torn between family obligation and the future he and Martin have longed for Can Martin show him that he can have both *College and State* ,1920 *The Christmas Promise* Donna VanLiere,2010-07-01 Each Christmas we are

given a promise from heaven And each year on earth we make promises to each other This is a story about how a promise from one person to another shows us the true meaning of faith remembrance and love Seven years ago Gloria endured a family tragedy that almost shook her faith entirely Each Christmas she places a card in an envelope on her tree restating a promise she made to her husband before he died Now having moved from her small town and all the painful memories it held

she is building a life by caring for people in need Whether it s a young mother who can t pay her electric bill or a family who needs some extra food Gloria always finds a way Miriam is a thorn in Gloria s side Miriam is a constantly critical disapproving neighbor who looks with suspicion at all the good things Gloria does When a twist of fate makes them roommates instead of neighbors it s the ultimate test of patience and faith Chaz has a good job as head of security at Wilson s Department Store but each night he returns home to an empty apartment He longs for a wife and family of his own but realizes that the life choices he s made have alienated him He befriends a young boy whose mother has fallen on hard times giving him a chance to have a life he thought impossible In The Christmas Promise the lives of these characters collide and we learn that even as we move ahead the past is never far behind And when we are forgiven much we love much In this warmly humorous and deeply poignant story we are reminded that the Christmas Promise is the promise of second chances
