

Choir Guidelines

Singing should always be a joyous activity. The Ministry of Choir is one means by which joy is expressed through singing. The members of the choirs at St. Louis Catholic Church seek to celebrate the liturgy in a manner that promotes participation by all with joy and reverence.

These guidelines have been prepared and implemented after consultation with the directors of each choir and discussion with the pastor. Through it we hope to accomplish unity and a sense of holiness among members of the choir.

Berglund,1985 Robert Berglund says a worship service is not a concert time It is not an hour of entertainment It is a time to worship God in spirit and in truth In the Christian realm however the worship service seems to be a musical battleground On one hand church music is seen as utilitarian Its only purpose is to allow worship to begin or continue throughout a church service On the other hand music can exist purely for entertainment But is a worship service the place for entertainment Shouldn t a worship service be designed only to worship God A Philosophy of Church Music presents an integrated look at church music Theological philosophical and psychological responses to the question of appropriate and consistent church music are considered to assist you in developing your personal church music philosophy Jacket
