Classics Of Western Thought Series The Modern World Volume Iii:

The Classics of Western Thought, Vol 3 Charles Hirschfeld,1968 **Leviticus, Numbers** Roy Gane,2011-04-19 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written The Modern World Edgar E. Knoebel,1988 Classics of Western Thought Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1971 World Literature and Thought: The ancient worlds Donald S. Gochberg,1997 The book contains enduring literary and intellectual works from the major ancient civilizations of Asia Africa and Europe This volume starts with ancient Middle Eastern and Egyptian texts going back to the third millennium B C Continuing onward through a diverse array of times and places from Rome to Ethiopia we conclude the forty five selections around the fifth century A D The wealth of material offered here should enable readers to pick those civilizations and topics that they find of greatest interest Or readers may choose to read through the contents in the given order Pref Generally the editors envision these edited primary documents as being of most use for college level courses in humanities in the history of world civilizations and in comparative or world literature Introd **'We Hold These Truths to Be Self-Evident...'** Kenneth N. Addison,2009-02-16 We hold these truths to be self evident An Interdisciplinary Analysis of the Roots of Racism and Slavery in America delves into the philosophical historical socio cultural and political evolution of racism and slavery in America The premise of this work is that racism and slavery in America are the result of an unintentional historical intertwining of various Western philosophical religious cultural social economic and political strands of thought that date back to the Classical Era These strands have become tangled in a Gordian knot which can only be unraveled through the bold application of a variety of multidisciplinary tools By doing so this book is intended help the reader understand how the United States a nation that claims all men are created equal could be responsible for slavery and the intractable threads of racism and inequality that have become woven into its cultural the fabric *The Publishers' Trade List Annual* ,1917 Selected Writings Saint Alfonso Maria de' Liguori,1999 This volume of the acclaimed Classics of Western Spirituality TM is a significant one It offers new translations of a representative selection of the spiritual writings of Alphonsus de Liguori 1696 1787 saint bishop religious founder the

Redemptorist Congregation and doctor of the church The late Frederick M Jones principal editor of this volume and author of an acclaimed biography of Alphonsus has written an exceptional introduction that outlines this saint's life with particular emphasis on the political sociological and intellectual climate of Bourbon Naples in which he lived wrote and ministered The writings presented here demonstrate the wide range of his work and its relevance to Christian life and spirituality in our own day o Spiritual Writings o Spiritual Direction o Devotional Writings o Prayer o Moral Theology o Letters Alphonsus devotional writings had an enormous impact on the practices of Catholic piety right up to Vatican II In addition he played an influential role in the development of moral theology This collection of his works fills a demand for an English translation of Alphonsus major spiritual works Among the interested readers will be members of the Redemptorist order theology students and students of 18th century Italian church history and society

Books Out-of-print ,1986 *Liberal Education and the Idea of the University* Karim Dharamsi,James Zimmer,2019-05-07 The idea of the university and the idea of liberal education share a family resemblance However it is not always explicitly clear what they have in common and what differentiates them This collection brings together arguments and reflections on the nature of the university and the place of liberal learning in the 21st century It is divided into two parts In the first part authors examine the values and ideals that shape our understanding of liberal learning and the university in the second part authors consider pedagogies informing our practices asking after what underlying presuppositions when made explicit guide our liberal education classrooms in higher education Unique in its approaches this volume includes defenses of liberal education's intrinsic value the commodification of some of its best ideals as well as utilitarian defenses that challenge some orthodox conceptions of liberal learning and its justifications Each in its own right understands liberal learning as essential to the defense of a democratic order On the pedagogical side included are essays that defend a view of liberal education from the vantage of STEM subjects including architecture as well as those we typically associate with the liberal arts This volume will aid academics and students seeking to better grasp an understanding of liberal education but also those seeking to advance their pedagogical ideas about liberal learning Researchers and students in education higher education and those interested in the liberal arts and sciences will find this volume a useful addition to their collection
