Flightpath: Aviation English for Pilots and ATCOs Student's Book with Audio CDs (3) and DVD Philip

Shawcross,2011-07-14 Flightpath is the definitive course for pilots and Air Traffic Controllers who need an ICAO4 level of English to work in the industry Flightpath is the only Aviation English course to offer a thorough grounding in the full range of communication skills needed by aviation professionals to communicate in non routine situations With regular focus on ICAO criteria learners are given full support in reaching industry standards including case studies analysis of their own communication skills exposure to authentic in flight communication and communicative tasks Flightpath is the most accurate preparation course available for any ICAO4 language test and includes authentic industry training video Flightpath has been reviewed and endorsed by a panel of leading aviation communication and safety professionals **Native English Speakers**

and Aviation Communication Dominique Estival,2025-09-30 The increased globalisation of aviation requires a large number of aviation professionals pilots and air traffic controllers who must cooperate and communicate to ensure safety as well as efficiency Native English Speakers and Aviation Communication argues for the need to train and test native English speakers NES as well as non native English speakers NNES in aviation communication While Aviation English is the lingua franca of the skies it is not a variety of English it has no native speakers and NES must learn and practise it Based on the practical experience of the author as a flight instructor and an Aviation English assessor combined with academic research in language and communication this book provides strong arguments for the need to teach standard aviation communication to native English speakers It describes the challenges of aviation communication and the ongoing problems posed by the lack of

relevant training or testing for NES reviews the current state of affairs regarding regulations across a range of countries and suggests training solutions to be integrated in the ground school curriculum and during flight training This book is an essential resource for researchers and advanced students working in English for Specific Purposes Aviation English and Aviation Communication as well as for professionals in aviation and aviation training The AOPA Pilot Aircraft Owners and Pilots Association,1985 **Books in Print** ,1994 *The Library Journal Book Review*. 1978 R.
