

The Devil's Bible - Codex Gigas

The Secrets of the World's Largest Book

At the beginning of the 13th century, a remarkable literary work was created in Bohemia. In past ages, it was rightfully dubbed the Devil's Bible, Codex Gigas, Liber Pergrandis or Gigas Librorum. The first mention of the Devil's Bible comes from the year 1295, but it is supposed

that the manuscript is about 65 years older. The book was owned by a small Benedictine monastery of Podlažice near Chrudim, most likely around 1229. However, no records about its origin, author or reason for writing it have been preserved.
