1066 And All That:

1066 and All that Walter Carruthers Sellar, Robert Julian Yeatman, 1999 One of the most well loved and best selling British humor titles of all time Canute began by being a Bad King on the advice of his Courtiers who informed him owing to a misunderstanding of the Rule Britannia that the King of England was entitled to sit on the sea without getting wet This humorous history is a book that has itself become part of the UK s history The authors made the claim that All the History you can remember is in the Book and for most Brits they were probably right But it is their own unique interpretation of events that has made the book a classic an uproarious satire on textbook history and a population s confused recollections of it
