Harper, Dimitar Kambourov, 2020-11-12 Bulgarian Literature as World Literature examines key aspects and manifestations of 20th and 21st century Bulgarian literature by way of the global literary landscape The first volume to bring together in English the perspectives of prominent writers translators and scholars of Bulgarian literature and culture this long overdue collection identifies correlations between national and world aesthetic ideologies and literary traditions It situates Bulgarian literature within an array of contexts and foregrounds a complex interplay of changing internal and external forces These forces shaped not only the first collaborative efforts at the turn of the 20th century to insert Bulgarian literature into the world s literary repository but also the work of contemporary Bulgarian diaspora authors Mapping histories geographies economies and genetics the contributors assess the magnitudes and directions of such forces in order to articulate how a distinctly national minor literature produced for internal use and nearly invisible globally until the last decade transforms into world literature today      Nine Rabbits Virginia Zaharieva, 2014-04-08 Zaharieva packs several genres into one including but not limited to pastoral idyll sexual coming of age story and feminist memoir Ultimately she presents life in all its

messiness and possibility vivid enough for the reader to almost taste Publishers Weekly This is powerful controlled writing Rain Taxi I turned up in the seaside town of Nesebar an inconvenient four year old grandchild just as my grandmother was raising the last two of her six children putting the finishing touches on the house ordering the workmen around and doing some of the construction work herself thank God for that because at least it used up some of her monstrous energy Otherwise who knows what would ve become of me In Bulgaria during the height of communism in the 1960s six year old Manda survives her cruel grandmother and rural poverty by finding sheer delight in the world plump vegetables garden gnomes and darkened attic corners The young Manda endures severe beatings seemingly indestructible But as a middle aged artist in newly democratic Bulgaria she desperately tries to feed her damaged soul with intrepid creativity and humor **Wolf Hunt** Ivailo Pretov,2017-05-16 Published in 1986 three years before the fall of the Berlin Wall Wolf Hunt was the first novel to portray the human cost of Communist policies on Bulgarian villagers forced by the government to abandon their land and traditional way of life Darkly comic and tragic the novel centers on an ill fated winter hunting expedition of six neighbors whose history together is long and interwoven The ensuing story takes the reader on a voyage of shifting perspectives that places the calamitous history of twentieth century Bulgaria into a human context of helplessness and desperation 18% *сиво* Захари Карабашлиев,2008
