

Preface

Fifty-five years ago the General Conference published our denominational hymnal, "Hymns and Tunes," and for many years this book has served a useful purpose in the hymnology of the church. Through the years other books, as "Christ in Song," "Gospel in Song," etc., have been brought out to meet the need of a wider range of suitable music for the church, Sabbath school, and young people's meetings. But from far and near the need of a new hymnal, which should include songs of the advent faith adapted for use in the church service as well as those suited more especially for Sabbath schools and young people's meetings, has been urged.

The General Conference in session in 1936 authorized the General Conference Committee to study the need for a new church hymnal. The Autumn Council of that year, held in Fort Worth, Texas, recommended that a new church hymnal be prepared, and the Council appointed a small committee to begin preparation of the manuscript. Later, in Washington, D.C., this committee was enlarged to twenty members, and was instructed to select suitable hymns, edit both words and music, and bring into being a new hymnal. The committee has exercised care and discrimination in the selections made. The total number of hymns in the collection agreed upon is somewhat less than in "Hymns and Tunes."

The committee has selected many of the best hymns available. Some of these are old standard and familiar hymns. About thirty never before printed have been contributed by our Seventh-day Adventist musicians. The plan of setting all words within the musical accompaniment has been followed. This will be a real aid to those who read music. The music editors have sometimes transposed the key in order that a greater proportion of the congregation may be able to join in the singing.

Responsive Scripture readings have been provided, so that these may be available for use in public worship. Topical and first-line indexes will aid in the selection of hymns on particular themes.

It is the General Conference plan that this hymnal shall take the place of "Hymns and Tunes" and "Christ in Song" in our public services. We believe it is the best compilation of hymns
