D. Thomae Aquinatis Quaestiones disputatae de veritate Saint Thomas (Aquinas), 1921 *Transactions of the American Philosophical Society*, **The Virtuous Pagan in Middle English Literature** Cindy L. Vitto, 1989 For pious Christians of every age the question of ultimate concern has been salvation What is necessary to ensure the soul's eternal bliss During the Middle Ages within the Church itself the guidelines were clear baptism reception of the sacraments an attempt to put into practice the teachings of Christ But a theological debate arose on the possibility of salvation for those outside the Church who fell into two basic categories those who had been offered the Christian faith but had refused it the Virtuous Pagan in legend St Erkenwald's Harrowing of Hell Piers Plowman Issues in Salvation the Harrowing as Thematic Climax

Natural Law and Laws of Nature in Early Modern Europe Michael Stolleis, 2016-04-22 This impressive volume is the first attempt to look at the intertwined histories of natural law and the laws of nature in early modern Europe These notions became central to jurisprudence and natural philosophy in the seventeenth century the debates that informed developments in those fields drew heavily on theology and moral philosophy and vice versa Historians of science law philosophy and theology from Europe and North America here come together to address these central themes and to consider the question was the emergence of natural law both in European jurisprudence and natural philosophy merely a coincidence or did these disciplinary traditions develop within a common conceptual matrix in which theological philosophical and political arguments converged to make the analogy between legal and natural orders compelling This book will stimulate new debate in the areas of intellectual history and the history of philosophy as well as the natural and human sciences in general

St. Thomas Aquinas on Analogy George P. Klubertanz, 1960 Transactions of the American Philosophical Society American Philosophical Society, 1989 The Study of Time II J. T. Fraser, N. Lawrence, 2012-12-06 The Second Conference of the International Society for the Study of Time was held at Hotel Mt Fuji near Lake Yamanaka Japan on July 1 to 7 1973 The present volume is the proceedings at that Conference and constitutes the second volume in The Study of Time series At the closing session of our First Conference in Oberwolfach Germany in 1969 I was honored by being elected to the Presidency of the Society following Dr J G Whitrow our first President My mandate was to organize a Second Conference consistent with the aim of the Society which is the holding of interdisciplinary conferences

for the presentation and discussion of papers on various aspects of time. Several participants expressed to me their wish to have a second conference held in Japan so as to emphasize the international and intercultural dedication of this Society. Dr Fraser carefully evaluated this and many other suggestions, weighed the possible conference sites and our chances of raising the necessary funds to convene a meeting at such sites and concurred with my conclusions that we should go ahead with the plans for a Japanese meeting. For the difficult and complicated task of raising funds and organizing a conference in Japan, I had to select and rely heavily on somebody both capable and reliable and also living in Japan. Thus I asked the Reverend Michael Mutsuo Yanase S.J. Quaestiones Disputatae De Veritate Adolf Dyroff, Aquinas Saint Thomas, Dyroff Adolf 1866-1943, 2022-10-27. Enacting the Reformation in Germany brings together sixteen essays and articles written over a thirty-year period by a historian who has made it his special scholarly concern to trace and analyze the social consequences of the German Reformation's salient ideas and positions. The picture Strauss draws of a country and a society struggling to understand and incorporate the deep structural and mental changes brought on by Martin Luther's revolt against Rome has the sharpness and contrast of a visual image.
