EDITED BY CAROL J. PARDUN

WILEY Blackwell

Advertising And Society An Introduction 2nd Edition

**Roxanne Hovland, Joyce M.
Wolburg, Eric E. Haley**

Advertising And Society An Introduction 2nd Edition:

Advertising and Society Carol J. Pardun, 2013-06-26 Now revised and updated to reflect the impact of emerging technologies this new edition of Advertising and Society Controversies and Consequences examines the evolution of advertising and its influence on society Expanded with five new chapters covering the impact of emerging technologies including the evolution of Direct to Consumer DTC pharmaceutical advertising product placement in various media and the growing intrusiveness of Internet marketing Explores a broad range of topics including alcohol tobacco and sex in advertising the pros and cons of negative political adverts advergames and the use of stereotypes Examines the impact of advertising through its distinctive point counterpoint format designed to spark discussion and help students understand the complexities of the issues being presented Lends substantial clarity to the subject uniquely balancing criticism and practice within one text Includes chapter level overviews and summaries of the topic history and key issues along with student friendly features such as ideas for papers and questions for discussion

Readings in Advertising, Society, and Consumer Culture Roxanne Hovland, Joyce M. Wolburg, Eric E. Haley, 2014-12-18 This collection of classic and contemporary articles provides context for the study of advertising by exploring the historical economic and ideological factors that spawned the development of a consumer culture It begins with articles that take an institutional and historical perspective to provide background for approaching the social and ethical concerns that evolve around advertising Subsequent sections then address the legal and economic consequences of life in a material culture the regulation of advertising in a culture that weighs free speech against the needs of society and the ethics of promoting materialism to consumers The concluding section includes links to a variety of resources such as trade association codes of ethics standards and guidelines for particular types of advertising and information about self regulatory organizations

Advertising in Society Roxanne Hovland, 1989 **Advertising, Society, and Consumer Culture** Roxanne Hovland, Joyce M. Wolburg, 2014-12-18 Designed as a core textbook for courses in Advertising and Society Advertising Society and Consumer Culture develops an integrated perspective that gives students a framework for understanding past present and future issues in advertising communications Chapter contents cover the entire range of social political cultural regulatory and economic issues that surround advertising and its role in modern society The many social issues addressed include advertising and gender stereotyping advertising to vulnerable audiences and the distribution of wealth in consumer society Advertising Society and Consumer Culture intertwines the development of the consumer culture with its coverage of the historical political regulatory and ethical issues of advertising It includes clear comprehensive tables that chronicle historical developments and key legal cases The text is readable for undergraduates but provides enough depth to serve as a graduate level text Including extensive notes and a bibliography it can be adopted independently or alongside its companion volume Readings in Advertising Society and Consumer Culture

Books in Print ,1994

Theories of the Information Society Frank Webster, 2002 Popular opinion suggests that information has become a distinguishing feature of the modern world Where once economies were built on industry and conquest we are now instead said to be part of a global information economy In this new and thoroughly revised edition of his popular book author Webster brings his work up to date both with new theoretical work and with social and technological changes such as the rapid growth of the internet and accelerated globalization and reassesses the work of key theorists in light of these changes This book is essential reading for students of contemporary social theory and anybody interested in social and technological change in the post war era

National Union Catalog, 1978 Includes entries for maps and atlases

Advertising and Consumer Society Nicholas Holm, 2023-04-03 This critical introductory text explores the role of advertising in contemporary culture and its connections to larger economic social and political forces Written in an engaging and accessible style and incorporating a wide range of examples from around the world the chapters introduce the key concepts methods and debates needed to analyse and understand advertising From an investigation of advertising s crucial function in media economics and our wider capitalist system to a consideration of the people who both make and watch advertising this insightful text enables students to make sense of advertising s powerful influence as both an economic force and an artistic form assess the various claims of these two perspectives on advertising and understand how they challenge and complicate one another This revised second edition includes a new chapter on branding and promotional culture and substantially updated content on topics like digital and online advertising surveillance and empowerment as well as brand new topics like self branding influencers and using technology to evade advertising Equipping students with the skills needed to partake in this lively discourse the text is an invaluable resource for studying advertising critically It is essential reading for students of advertising media studies and communication studies

Communications in Canadian Society Craig McKie, Benjamin D. Singer, 2001 Communications in Canadian Society 5th Edition provides a comprehensive overview and analysis of communications institutions in Canada This edition has been thoroughly updated to take into account the changes taking place in information technology and the effects of this communications revolution in Canada and throughout the world As with previous editions this edition provides a diversity of analytical perspectives with selections by leading authorities in communication studies journalism sociology psychology political science and economics It also provides a strong mix of both classic and contemporary Canadian writing in the field Primarily intended for use at Canadian universities and colleges this book will also be useful to communications professionals and laypersons seeking a better understanding of the communications revolution
