Aesop's Fables (Deluxe Library Binding) Aesop, 2020-11-22 In this collection of over three hundred fables Aesop masterfully unravels the morals behind every action in human nature Included are the favourites The Shepherd Boy and the Wolf The Tortoise and the Hare and The Dog and the Shadow These time honoured morals teach children that persuasion is better than force slow but steady wins the race and to look before you leap A fable is often thought of as a story intended to help children learn wholesome values and how to behave within society at large However in ancient Greece fables were used as a means of persuasion as the moral of a fable can be delivered in an indirect manner This helped philosophers such as Plato Aristophanes and Socrates argue controversial points without offending their audience *The Book of Fables.
