Hoodlums William L. Van Deburg, 2013-10-21 Martin Luther King Jr Malcolm X Muhammad Ali When you think of African American history you think of its heroes individuals endowed with courage and strength who are celebrated for their bold exploits and nobility of purpose But what of black villains Villains just as much as heroes have helped define the black experience Ranging from black slaveholders and frontier outlaws to serial killers and gangsta rappers Hoodlums examines the pivotal role of black villains in American society and popular culture Here William L Van Deburg offers the most extensive treatment to date of the black badman and the challenges that this figure has posed for race relations in America He first explores the evolution of this problematic racial stereotype in the literature of the early Republic documents in which the enslavement of African Americans was justified through exegetical claims Van Deburg then probes antebellum slave laws minstrel shows and the works of proslavery polemicists to consider how whites conceptualized blacks as members of an inferior and dangerous race Turning to key works by blacks themselves from the writings of Frederick Douglass and W E B Du Bois to classic blaxploitation films like Black Caesar and The Mack Van Deburg demonstrates how African Americans have combated such negative stereotypes and reconceptualized the idea of the badman through stories of social bandits controversial individuals vilified by whites for their proclivity toward evil but revered in the black community as necessarily insurgent and revolutionary Ultimately Van Deburg brings his story up to date with discussions of prison and hip hop culture urban rioting gang warfare and black on black crime What results is a work of remarkable virtuosity a nuanced history that calls for both whites and blacks to rethink received wisdom on the nature and prevalence of black villainy

Listening to Killers James Garbarino, 2015-03-12 Listening to Killers offers an inside look at twenty years worth of murder files from Dr James Garbarino a leading expert psychological witness who listens to killers so that he can testify in court The author offers detailed accounts of how killers travel a path that leads from childhood innocence to lethal violence in adolescence or adulthood He places the emotional and moral damage of each individual killer within a larger scientific framework of social psychological anthropological and biological research on human development By linking individual cases to broad social and cultural issues and illustrating the social toxicity and unresolved trauma that drive some people to kill Dr Garbarino highlights the humanity we share with killers and the role of understanding and empathy in breaking the cycle of violence

The Word Militant, paperback edition Walter Brueggemann, 2010-10 Against the easy assurance of a too enculturated religion Walter Brueggemann refocuses the preaching task around the decentering destabilizing always risky Word that confronts us in Scripture if we have the courage to hear

All Alone in the World Nell Bernstein, 2007-08-01 A San Francisco Chronicle Best Book of the Year An urgent invitation to care for all children as our own Adrian Nicole LeBlanc author of Random Family In this moving condemnation of the U S penal system and its effect on families award winning journalist Nell Bernstein takes an intimate look at parents and children over two million of them torn apart by our current incarceration policy Parents Press Described as meticulously reported and

sensitively written by Salon the book is brimming with compelling case studies and recommendations for change Orlando Sentinel Our Weekly Los Angeles calls it a must read for lawmakers as well as for lawbreakers In terms of elegance breadth and persuasiveness All Alone in the World deserves to be placed alongside other classics of the genre such as Jonathan Kozol s Savage Inequalities Alex Kotlowitz s There Are No Children Here and Adrian Nicole LeBlanc s Random Family But to praise the book s considerable literary or sociological merit seems beside the point This book belongs not only on shelves but also in the hands of judges and lawmakers San Francisco Chronicle Well researched and smoothly written Bernstein s book pumps up awareness of the problems provides a checklist for what needs to be done and also cites organizations like the Osborne Society that provide parenting and literacy classes counseling and support The message is clear taking family connections into account holds particular promise for restoring a social fabric rent by both crime and punishment Publishers Weekly starred review

Courting Kids Carla J. Barrett,2013-01-01 Despite being labeled as adults the approximately 200 000 youth under the age of 18 who are now prosecuted as adults each year in criminal court are still adolescents and the contradiction of their legal labeling creates numerous problems and challenges In *Courting Kids* Carla Barrett takes us behind the scenes of a unique judicial experiment called the Manhattan Youth Part a specialized criminal court set aside for youth prosecuted as adults in New York City Focusing on the lives of those coming through and working in the courtroom Barrett s ethnography is a study of a microcosm that reflects the costs challenges and consequences the tough on crime age has had especially for male youth of color She demonstrates how the court through creative use of judicial discretion and the cultivation of an innovative courtroom culture developed a set of strategies for handling adult juvenile cases that embraced rather than denied defendants adolescence

Bullying Scars Ellen DeLara,2016 The book describes childhood bullying from the vantage point of those victims bullies and bystanders who are now adults discusses how lives have been changed and explores the range of reactions adults exhibit The research gathered for this book through interviews with over 800 people points out that even adult decision making is often altered by the victimization they experience as children at the hands of peers siblings parents or educators From publisher description

Pistols, Politics and the Press Ryan Chamberlain,2009-01-22 This book argues that dueling should be looked at as a fundamental part of the history of journalism By examining the nineteenth century Code Duello the accepted standards under which a duel is conducted the author explores the causes of combative responses involving journalists Each chapter examines an aspect of the practice from the nineteenth century through the present including the connections between the ritualized aggression of the past and the feuding among blog journalists today A comprehensive bibliography as well as an overview of accepted practices under the Code of Honor as faced by nineteenth century journalists are provided

The Poverty of the Ethnography of Poverty Loïc Wacquant,2025-07-02 In *The Poverty of the Ethnography of Poverty* Loïc Wacquant dissects how sociologists who carry out field studies of the poor write about race class and morality in the city s underbelly the blinders and biases that affect their

Wolcott, 2012-11-14 In A History of Modern Criminal Justice authors Joseph Spillane and David Wolcott focus on the modern aspects of the subject from 1900 to the present A unique thematic rather than a chronological approach sets this book apart from the competition with chapters organized around themes such as policing courts due process and prison and punishment Making connections between history and contemporary criminal justice systems structures and processes A History of Modern Criminal Justice offers students the latest in historical scholarship made relevant to their needs as future practitioners in the field This book is appropriate for any course on the history of criminal justice

Almost Home Kevin Ryan, Tina Kelley, 2012-08-21 Inside the lives of homeless teens moving stories of pain and hope from Covenant House Almost Home tells the stories of six remarkable young people from across the United States and Canada as they confront life alone on the streets Each eventually finds his or her way to Covenant House the largest charity serving homeless and runaway youth in North America From the son of a crack addict who fights his own descent into drug addiction to a teen mother reaching for a new life their stories veer between devastating and inspiring as they each struggle to find a place called home Includes a foreword by Newark Mayor Cory Booker Shares the personal stories of six homeless youths grappling with issues such as drug addiction family violence prostitution rejection based on sexual orientation teen parenthood and aging out of foster care into a future with limited skills and no support system Gives voice to the estimated 1 6 million young people in the United States and Canada who run away or are kicked out of their homes each year Includes striking photographs stories of firsthand experiences mentoring and working with homeless and troubled youth and practical suggestions on how to get involved Discusses the root causes of homelessness among young people and policy recommendations to address them Provides action steps readers can take to fight youth homelessness and assist individual homeless young people Written by Kevin Ryan president of Covenant House and Pulitzer Prize nominee and former New York Times writer Tina Kelley Inviting us to get to know homeless teens as more than an accumulation of statistics and societal issues this book gives a human face to a huge but largely invisible problem and offers practical insights into how to prevent homelessness and help homeless youth move to a hopeful future For instance one kid in the book goes on to become a college football player and counselor to at risk adolescents and another becomes a state kickboxing champion All the stories inspire us with victories of the human spirit large and small A portion of the proceeds from the sale of each book will help support kids who benefit from Covenant House s shelter and outreach services

Deep Memory, Exuberant Hope Walter Brueggemann, The leading Old Testament theologian reflects on the meaning of the gospel in today s world These studies on a variety of biblical texts focus deftly on reading listening to and proclaiming the gospel in a broken fragmented and post Christendom world Brueggemann explores how these traditions have the potential to continually resonate in our contemporary communities and individual lives

Dance with the Devil

David Bagby, 2015-08-04 Immortalized in the acclaimed documentary *Dear Zachary* this brutally honest memoir chronicles a system's failure to prevent the murder of a child In November 2001 the bullet riddled body of a young doctor named Andrew Bagby was discovered in Keystone State Park outside Latrobe Pennsylvania For parents Dave and Kate the pain was unbearable but Andrew's murder was only the beginning of the tragedy they endured The chief suspect for Andrew's murder was his ex girlfriend Shirley Turner Obsessive and unstable Shirley lied to police and fled to Newfoundland before she could be arrested While fending off extradition efforts by U S law enforcement she announced she was pregnant with Andrew's son Zachary Hoping to gain custody of the child the Bagbys moved to Newfoundland They began a drawn out court battle to protect their grandson from the woman who had almost certainly murdered their son Then in August 2003 Shirley killed herself and the one year old Zachary by jumping into the Atlantic Ocean *Dance with the Devil* is David Bagby's eulogy for a dead son an elegy for lives cut tragically short and a castigation of a broken system An incendiary cri de coeur The New York Times *DANCE WITH THE DEVIL* is a eulogy for a dead son an elegy for lives cut tragically short and a castigation of a broken system

Total Confinement Lorna A. Rhodes, 2004-02-26 In this rare firsthand account Lorna Rhodes takes us into a hidden world that lies at the heart of the maximum security prison Focusing on the supermaximums and the mental health units that complement them Rhodes conveys the internal contradictions of a system mandated to both punish and treat Her often harrowing sometimes poignant exploration of maximum security confinement includes vivid testimony from prisoners and prison workers describes routines and practices inside prison walls and takes a hard look at the prison industry More than an exposé *Total Confinement* is a theoretically sophisticated meditation on what incarceration tells us about who we are as a society Rhodes tackles difficult questions about the extreme conditions of confinement the treatment of the mentally ill in prisons and an ever advancing technology of isolation and surveillance Using her superb interview skills and powers of observation she documents how prisoners workers and administrators all struggle to retain dignity and a sense of self within maximum security institutions In settings that place in question the very humanity of those who live and work in them Rhodes discovers complex interactions from the violent to the tender among prisoners and staff *Total Confinement* offers an indispensable close up of the implications of our dependence on prisons to solve long standing problems of crime and injustice in the United States

Over the Threshold Christine Daniels, Michael V. Kennedy, 2014-04-08 *Over the Threshold* is the first in depth work to explore the topic of intimate violence in the American colonies and the early Republic The essays examine domestic violence in both urban and frontier environments between husbands and wives parents and children and masters and slaves This compelling collection puts commonly held notions about intimate violence under strict historical scrutiny often producing surprising results

The Roots of Violent Crime in America Barry Latzer, 2021-03-17 *The Roots of Violent Crime in America* is criminologist Barry Latzer's comprehensive analysis of crimes of violence including murder assault and rape in the United States from the 1880s through the 1930s Combining the theoretical perspectives and

methodological rigor of criminology with a synthesis of historical scholarship as well as original research and analysis Latzer challenges conventional thinking about violent crime of this era While scholars have traditionally cast American cities in the late nineteenth and early twentieth centuries as dreadful places Latzer suggests that despite overcrowding and poverty U S cities enjoyed low rates of violent crime especially when compared to rural areas The rural South and the thinly populated West both suffered much higher levels of brutal crime than the metropolises of the East and Midwest Latzer deemphasizes racism and bigotry as causes of violence during this period noting that while many social groups confronted significant levels of discrimination and abuse only some engaged in high levels of violent crime Cultural predispositions and subcultures of violence he posits led some groups to participate more frequently in violent activity than others He also argues that the prohibition on alcohol in the 1920s did not drive up rates of violent crime Though the bootlegger wars contributed considerably to the murder rate in some of America s largest municipalities Prohibition also eliminated saloons which served as hubs of vice corruption and lawlessness The Roots of Violent Crime in America stands as a sweeping reevaluation of the causes of crimes of violence in the United States between the Gilded Age and World War II compelling readers to rethink enduring assumptions on this contentious topic
