American Project Sudhir Alladi Venkatesh, 2002-04-15 High rise public housing was a signature of the post World War II city A hopeful experiment in providing temporary inexpensive homes for all Americans the projects soon became synonymous with the black urban poor isolation and overcrowding drugs gang violence and neglect Here Venkatesh seeks to salvage public housing s troubled legacy

American Project Sudhir Alladi Venkatesh, 2002-03-01 High rise public housing developments were signature features of the post World War II city A hopeful experiment in providing temporary inexpensive housing for all Americans the projects soon became synonymous with the black urban poor with isolation and overcrowding with drugs gang violence and neglect As the wrecking ball brings down some of these concrete monoliths Sudhir Venkatesh seeks to reexamine public housing from the inside out and to salvage its troubled legacy

American project Sudhir Alladi Venkatesh,

The Making of Urban America Raymond A. Mohl, Roger Biles, 2023-10-03 The revised and updated third edition of *The Making of Urban America* includes seven new articles and a richly detailed historiographical essay that discusses the vast urban history literature added to the canon since the publication of the second edition The authors extensively revised introductions and the fifteen reprinted articles trace urban development from the preindustrial city to the twentieth century city With emphasis on the social economic political commercial and cultural aspects of urban history these essays illustrate the growth and change that created modern day urban life Dynamic topics such as technology immigration and ethnicity suburbanization sunbelt cities urban political history and planning and housing are examined *The Making of Urban America* is the only reader available that covers all of U S urban history and that also includes the most recent interpretive scholarship on the subject

Off the Books Sudhir Alladi Venkatesh, 2006 Explores the desperate dangerous and remarkable ways in which the residents of Maquis Park a poor African American neighborhood on Chicago s Southside struggle to survive

Gang Leader for a Day Sudhir Alladi Venkatesh, 2008 The story of the young sociologist who studied a Chicago crack dealing gang from the inside captured the world s attention when it was first described in *Freakonomics* This is the full story of how Venkatesh managed to gain entr e into the gang what he learned and how his method revolutionized the academic establishment When first year grad student Venkatesh walked into one of Chicago s most notorious housing projects he was looking for people to take a survey on urban poverty He never imagined that he would befriend a gang leader and spend the better part of a decade inside the projects under his protection He got to know the neighborhood dealers crackheads squatters prostitutes pimps activists cops organizers and officials From his position of unprecedented access he observed the gang as they operated their crack selling business and rose or fell within the ranks of the gang s complex organizational structure From publisher description

Routledge International Handbook of Critical Gang Studies David Brotherton, Rafael Gude, 2021-07-28 *Routledge International Handbook of Critical Gang Studies* is rooted in the instability inequality and liquidity of the post industrial era It understands the gang as a complex and contradictory

phenomenon a socio historical agent that reflects responds to and creates a certain structured environment in spaces which are always in flux International in scope and drawing on a range of sociological criminological and anthropological traditions it looks beyond pathological ahistorical and non transformative approaches and considers other important factors that produce the phenomenon whether the historically entrenched racialized power structure and segregation in Chicago the unconstrained state abandoned development of favelas in Brazil or the colonization displacement and dependency of people in Central America This handbook reflects and defines the new theoretical and empirical traditions of critical gang studies It offers a variety of perspectives including A view of gangs that takes into consideration the global context and appearance of the gang in its various forms and stages of development An appreciation of the gang as a socio cultural formation A race ethnic and class analysis of the gang that problematizes domain assumptions such as the underclass Gender variations of the gang phenomenon with a particular emphasis on their intersectional properties Relations between gangs and the political economy that address the dominant mode of production and exchange Treatments that demonstrate the historically contingent nature of gangs and their changes across time The contradictory impact of gang repressive policies institutions and practices as part of a broader discussion on the nature of the state in specific societies and Critical methodologies on gangs that involve discussions of visual and textual representations and the problematics of data collection and analysis Authoritative multi disciplinary and international this book will be of interest to criminologists sociologists and anthropologists alike particularly those engaged with critical criminology sociology youth crime delinquency and global social inequality The Handbook will also be of interest to policy makers and those in the peacebuilding field *Frontiers of Capital* Melissa S. Fisher, Greg Downey, 2006-10-31 Ethnographies exploring how cultural practices and social relations have been altered by the radical economic and technological innovations of the New Economy **Views from the Streets** Roberto Aspholm, 2020-02-04 Chicago has long served as a symbol of urban pathology in the public imagination The city's staggering levels of violence and entrenched gang culture occupy a central place in the national discourse yet remain poorly understood and are often stereotyped *Views from the Streets* explains the dramatic transformation of black street gangs on Chicago's South Side during the early twenty first century shedding new light on why gang violence persists and what might be done to address it Drawing on years of community work and in depth interviews with gang members Roberto R Aspholm describes in vivid detail the internal rebellions that shattered the city's infamous corporate style African American street gangs He explores how in the wake of these uprisings young gang members have radically refashioned gang culture and organization on Chicago's South Side rejecting traditional hierarchies and ideologies and instead embracing a fierce ethos of personal autonomy that has made contemporary gang violence increasingly spontaneous and unregulated In calling attention to the historical context of these issues and to the elements of resistance embedded in Chicago's contemporary gang culture Aspholm challenges conventional views of gang members as inherently pathological He critically analyzes highly touted

universal violence prevention strategies depicting street level realities to illuminate why they have ultimately failed to reduce levels of bloodshed An unprecedented analysis of the nature and meaning of gang violence Views from the Streets proposes an alternative framework for addressing the seemingly intractable issues of inequality despair and violence in Chicago

American Project Sudhir Alladi Venkatesh,2000-11-13 Based on nearly a decade of fieldwork in Chicago s Robert Taylor Homes American Project is the first comprehensive story of daily life in an American public housing complex Venkatesh draws on his relationships with tenants gang members police officers and local organizations to offer an intimate portrait of an inner city community

Race and Real Estate Adrienne R. Brown,Valerie Smith,2015 Race and Real Estate brings together new work by architects sociologists legal scholars and literary critics that qualifies and complicates traditional narratives of race property and citizenship in the United States Rather than simply rehearsing the standard account of how blacks were historically excluded from homeownership the authors of these essays explore how the raced history of property affects understandings of home and citizenship While the narrative of race and real estate in America has usually been relayed in terms of institutional subjugation dispossession and forced segregation the essays collected in this volume acknowledge the validity of these histories while presenting new perspectives on this story
