

The Essential Cosmic Perspective

The background of the book cover is a composite image. The upper portion shows a deep purple and blue night sky filled with stars and the glowing, pinkish-purple band of the Milky Way galaxy. A constellation of stars is highlighted with thin white lines and several of the stars are encircled with white rings. The lower portion of the cover shows a dark, rocky coastline at night, with a bright, swirling blue and white aurora borealis visible in the sky above the water.
