- 4 You are not there to be a careful well trained analyst You are there to adorn the least sketchy of these deals with your pristine credentials After this experience I was shaken by what I had learned about the cynical business of Wall Street I had been aghast when I saw and heard about the way that mortgage brokers had duped ordinary people and institutions into purchasing worthless mortgages from them Now I learned that this was only a small slice of the iceberg beneath which lay a nastier more morally ambiguous practice
