The Interpreters Wole Soyinka:

The Interpreters Wole Soyinka, 1996 Describes a group of young Nigerian intellectuals trying to do something worthwhile with their lives in a society ruled by corruption cynicism social climbing and conformity **A Study of Wole Soyinka's Novel The Interpreters** Jeanne Ferguson Glass, 1974* *The Interpreters: Ritual, Violence, and Social Regeneration in the Writing of Wole Soyinka* Hakeem Bello, 2014-12-29 A concern for social regeneration stands as the factor that animates Soyinka's life long involvement in social and political activism leading to his incarceration for two years during the civil war and his having to flee into exile during the period of Sani Abacha's dictatorship Soyinka expresses this same concern for social regeneration in his writings using difference metaphors The focus of this work lies in the exploration of the articulations of social regeneration in the works of Wole Soyinka The first part focuses on the dramatic works and the argument of the author is that the metaphor adopted by Africa's foremost playwright in articulating his vision of social regeneration is that of ritual Attention shifts in part two to Soyinka's two novels and here Bello goes to the roots of Yoruba metaphysics to fetch a metaphor which describes a creature with contradictory personality which at once is committed to the regeneration of the social order while at the same time retaining a vindictive vengeful nature [The Language of African Literature](#) Edmund L. Epstein, Robert Kile, 1998 In this unprecedented anthology some of the most prolific and widely read African novelists are analysed **Interpreters**, 2015 **The Facts on File Companion to the World Novel** Michael Sollars, Arbolina Llamas Jennings, 2008 **Forging Ogun's Presence in a Plastic Society. A Look at Wole Soyinka's 'The Interpreters'** Wazha Lopang, 2016-11-15 Scientific Essay from the year 2016 in the subject Literature Africa University of Botswana language English abstract The aim of this article is two fold It will analyse how Ogun principles in The Interpreters have been compromised and discarded by individuals transformed by an alien culture The article will also describe and evaluate the ways in which the Ogun presence manifests itself in a society that is reluctant to look at the past in order to forge a path of self discovery In the postmodern age the concept of identity and purpose calls for a psychological weaning from imported cultures with their hegemonic footprints The absorption of an alien culture is at times not selectively done by members of these African societies In effect they find themselves technologically propelled into an environment that transforms them from the inside and spreads like a cancer **The Intellectual and Society in the Novels of Wole Soyinka** Mittapalli Rajeshwar, 1990 The Present Book Is A Collection Of Research Papers On Mulk Raj Anand Raja Rao R K Narayan Bhabani Bhattacharya And Kamala Markandaya Who Are The Most Representative Indian Novelists In English **A Sociolinguistic Analysis of Wole Soyinka's The Interpreters** James Olukayode Omole, 1985 **On the Difficulty of Wole Soyinka's "The Interpreters"** G. O. Awonuga, 1987 **Remapping African Literature** Olabode Ibiro, 2018-02-12 This book is an exploration of the material conditions of the production of African literature Drawing on the archives of Heinemann's African Writers Series it highlights the procedures relationships demands ideologies and

counterpressures engendered by the publication of three major authors Chinua Achebe Wole Soyinka and Ngugi wa Thiongo As a study of the history and techniques of African literary texts this book advances a theory of reciprocity of effects what it terms auto heteronomy to describe the dynamic of formalist activism by which texts anticipate and shape the forces of literary production in advance It serves as a departure from the death of the author thesis by reconsidering the role of the author in African literature and culture industry as well as the influence of African publics on writers aesthetic choices and on the overall processes of production This work is a major contribution to African literary history literary criticism and book history

Obumselu on African Literature Isidore Diala, 2019-02-13 This compendium brings together in one volume for the first time Obumselu's highly celebrated work on African literature With the dialectic of cultures as the presiding preoccupation of his work and appraising the place of African literature in the universal scheme of cultural interchange his critical speciality Obumselu espoused a scholarship with a necessarily indispensable comparative dimension as the articles anthologised in this volume as African literature reveal The expertise with which he explores the oeuvres of many Western writers because of the light they shed on the creative endeavours of African writers is offset only by the rigour with which he explores the transformative impact of indigenous African literature on the craft of many distinguished African writers Obumselu's discovery of a tradition of the African novel almost entirely rooted in the poetics of African folklore which began with Mofolo and Plaatje and blossomed in Camara Laye and Ben Okri is a highlight of his incisive scholarship and reverberates through many of the works here The originality of his insights his analytic rigour the catholicity of his tastes and competences and the power and grace of his expression make this volume compelling
