Go Pro 7 Steps To Becoming a Network Marketing Professional by Eric Worre A 15 Minute Summary Analysis Preview It s not a pyramid scheme and he s not out to sell you anything these are the two unspoken promises that Worre should have listed at the start of his book Though it begins with an infomercial feel and a hyped up story of success if the reader can suspend his or her doubt long enough to give Worre a chance he or she will find that he has good advice to share and valuable pointers for any network marketer from the complete beginner to the seven figure a year expert PLEASE NOTE This is a Summary and Analysis of the book and NOT the original book This companion includes the following Chapter Breakdown Summary of the Chapters Analysis of Themes Much More This Analysis fills the gap making you understand more while enhancing your reading experience **How to Prospect and Recruit Using Postcards for a MLM Or Network Marketing Business** David Williams,2013-08-31 Fed up not having quality leads Are you in a MLM company you love but just can t find REAL prospects to talk to Tried online leads but found you just wasted your time and money Many networkers are well past the warm market stage and are struggling to find success It seems the entire world has gone online and the problem that networkers face is sticking out in an ever increasing ocean of websites mobile apps opt in forms blog posts Facebook Likes Youtube movies and Tweets It never ends There is alternative Because the world HAS gone online good old fashioned Direct Mail works Why Because no one gets real mail anymore You have zero competition And what s more real than a picture postcard NOTE What This Book is NOT about this book in no way teaches you to send those ugly tacky pre printed glossy pictures of fast expensive cars or mansions or YELLOW print your own postcards NO NO NO If you are engaged in postcard marketing buying glossy tacky in your face MLM style postcards and mailing them out or worse paying to have them mailed out I ll show you a method that will increase your success by a massive amount because I guarantee your message will be read if you use the method I teach Or if you are prospecting with one of those print your own cards at the local Office Max mailing out thousands until you re broke by sending ugly cards you will be so happy switching to my method because it will save you time money you ll mail out less cards and get massive more results Again because I guarantee your prospect will read your message I will show you a method that combines two of the most important recruiting factors for success in MLM Mass RecruitingandPersonalizationAnd NO this is not about using computer hand writing fonts

No I ll show you a method to recruit massively with postcards in a very personalized way for your prospect to find it impossible to not read your message and make a call This works This book is based on my famous postcard seminars that were part of a 10 000 MLM insider s weekend training You will get this same information for less than 20 Full Disclosure This is a short to the point book It s not full of padding or fluff however I do trace for you how I discovered my introduction into Direct Mail for MLM Recruiting by a presidential fundraiser It s a How To book You are paying for the system the magic and the fact that you won t need any other information to get started I have included low or no budget methods as well Please NOTE This book is for MLM or Network Marketing recruiting The information here if for network marketers who want to build downlines and offer a system to their team that does not rely on buying leads from the internet and telemarketing survey leads real time leads fresh leads or any of the other scammy descriptions of absolutely terrible leads for sale by lead companies Looking for a Low cost but highly efficient network marketing tool way to get REAL leads This is it Forget Internet leads recruit real people not virtual names How to Prospect and Recruit using Postcards for your MLM or Network Marketing Business The Low cost Prospecting and Recruiting Tool that Out Performs Online Methods is a complete method Includes the way to personalize the cards where to buy them at the best prices how to produce them where to get the lists to mail your cards to as well as how to do this on a low or no budget You will also get a 24 hour message to load up on your voice mail system to take all the calls you ll get from your prospects How to create the personalized card Where to get your cards wholesale What to say on the card Where to get lists and how to deal with list brokers Low and no budget tricks and strategies Text for your 24 hour message your prospects calls after reading your card This system works in USA Canada and Europe
