The Ice Queen Dark Queens 3:

The Ice Queen Jovee Winters,2016-04-05 Long ago tragedy struck and turned a young woman into the ice queen of legend Evil has come to Luminesa s forest The Goblin has stolen three innocents and thrust them into a violent and terrible time loop in her own lands And the only way to save them is to go to them herself But there s a problem because the moment Luminesa steps foot inside that magicked place she too will get sucked into the Goblin s nefarious scheme Freedom can only be had if she can figure out the riddle of the key and she only has one month to try Failure means death for them all There is absolutely no time or room for romance but that s exactly what happens when she first sets eyes on the centaur male Alador Luminesa s been burned in love before nearly losing her life to the hands of a crazed male she d once thought a friend Since that night she s hated men all men no matter what form they come in But Alador is different kind gentle with soulful green eyes that seem to peer through the icy veil of her legend to see the real woman beneath His touch makes her burn and his kisses make her feel alive again Luminesa will do everything in her power to make sure they all leave there alive Even if that means killing anything that stands in her way
