Al Leer Espa

Alberto de Tornos

Al Leer Espa:

La comprensión lectora en la enseñanza del español LE/L2 Victoria Rodrigo, 2018-10-09 La comprensión lectora en la enseñanza del español LE/L2 de la teoría a la práctica presents state of the art theory and teaching practices for integrating reading skills into the teaching of Spanish The book bridges a conspicuous gap between research supporting reading as a key component of language acquisition and actual practice by discussing how to implement reading successfully in and out of the classroom Written entirely in Spanish the book focuses on the needs of Spanish language learners with the goal of motivating students to read in the target language and work with diverse types of texts and genres Written in a clear and accessible manner La comprensión lectora en la enseñanza del español LE/L2 de la teoría a la práctica is an essential resource for teachers of Spanish at all levels It is an excellent reference book for language teachers who wish to integrate reading into the teaching of the Spanish language

Modern Languages San Francisco (Calif.). Public Schools, 1927

The Teaching of Reading in Spanish to the Bilingual Student: La Enseñanza de la Lectura en Español Para El Estudiante Bilingüe Angela Carrasquillo, Philip Segan, 2013-10-14 This dual language text provides theory and methodology for teaching reading in Spanish to Spanish English bilingual or Spanish dominant students The goal is to help educators teach these students the skills necessary to become proficient readers and thus successful in the school system At the very core of the book are the hispano parlantes the Spanish speaking children who bring to the schools along with their native language and cultures a wealth of resources that must be tapped and to whom all educators have a responsibility to respond True to the concepts of developing bilingual educators to serve bilingual students the text presents chapters in English and Spanish Each chapter is written in only one language at the preference of the author Thus to be successful with this book the reader must be bilingual Themes emphasized in the text include current reading methodologies the concept of reading as developmental literacy skills reading in the content areas new views of the development of proficiency in the second language issues related to students with special learning needs assessment and the uses of technology in the delivery of instruction Never losing sight of its goal to teach reading in Spanish to bilingual or Spanish dominant students the book includes a series of focusing questions and follow up activities these are not simply translations of existing activities strategies and techniques intended for monolingual English students but specifically designed to be appropriate for Spanish speaking students Directed to university preservice and in service instructors of reading and bilingual education as well as administrators and district and school level staff developers who work with Hispanic populations the book is sensitive at all times to nuances of the languages and cultures of the intended audiences
