

YOU WILL ALWAYS BE MY DREAM

You will always be the dream that I'll never get
tired of asking for

the dream I want to dream every night

the dream I want to live every morning

and the dream that keeps me dreaming

LONG DISTANCE

I realized that distance was never the problem

it was always the person

the person who didn't want to commit to calling or visiting

the person who used distance as an excuse to get out of
commitment altogether

but you give distance meaning

you give distance intimacy

because even though you're far away

I can still feel you closer than anyone here

and I'd rather stay home talking to you on the phone

than spend the night in the arms of someone else
