A Gutmann

Alquimia Mística:

Alquimia & mística Alexander Roob, 2001-01 Un viaje fantástico por el mundo de las imágenes de la alquimia y de la mística la cábala y la magia la francmasonería y los Rosa Cruz Esta singular compilación del arte ilustrativo con sus comentarios y fuentes nos conduce de un modo maravilloso a través de las representaciones de las ciencias ocultas [La vida mística de Jesús](#) Hilda Strauss, 2017-07-11 La historia está mal fechada y equivocadamente contada es una colcha de retazos que le tiene miedo a la verdad Para Hilda Strauss la base de la investigación es formular la pregunta correcta En qué pensaba Jesús cuando decía Mi reino no es de este mundo Por qué dijo que era necesario nacer y morir dos veces Por qué ciertos hechos de la vida de Jesús se repiten en otros personajes y en otras pocas Por qué Jesús y la estrella de Belén están vinculados a La gente que llega de las estrellas La vida mística de Jesús habla de significados secretos y de verdades escondidas vacíos que han dejado los textos conocidos y las fuentes oficiales Para ello la autora acude a escritos antiguos que no lograron entrar en el canon e investigaciones y descubrimientos que se han realizado en años recientes Hilda Strauss sabe que nadie puede conocer en su totalidad el enigma que representa el Mesías pero hace lo posible por presentar al lector una visión diferente del Ser más amado y desconocido de todos los tiempos ***Alquimia & mística*** Alexander Roob, 2009 [Alquimia and Mística](#) Alexander Roob, 2014-03-15 El Museo Hermitico conduce al lector a un viaje mágico y misterioso abarcando desde el cosmograma medieval y las imágenes del misticismo cristiano pasando por el fascinante mundo de la alquimia hasta el arte del romanticismo Muestra los enigmáticos jeroglíficos de los cabalistas los símbolos de rosacruces y masones y demuestra que están estrechamente unidos a las primeras ilustraciones científicas en los campos de la medicina la quimica la física y la teoría del color Sobre la serie Bibliotheca Universalis Compáctos culturales en formato compacto para celebrar el universo ecléctico de TASCHEN ***GIFREDA, el mago*** El Traductor, 2019-02-15 Historia de la vida y obra del alquimista y ocultista Jos Luis Gifreda en la Cataluña de principios de siglo Visión actual de la Alquimia en España [100 años de literatura costarricense](#) Margarita Rojas, Flora Ovares, 2021-04-21 La versión de libro electrónico incluye los dos tomos de la versión impresa 100 años de literatura costarricense de Margarita Rojas y Flora Ovares es una obra fundamental dentro de la historiografía literaria de nuestro país Desde la aparición de su primera edición en 1995 se convirtió en fuente obligatoria de consulta tanto para los especialistas como para cualquier persona interesada en obtener una visión de conjunto clara y de la tradición literaria costarricense El estudio de Rojas y Ovares compendia las mayores virtudes de las mejores obras que han abordado el mismo tema de la clásica Historia de la literatura costarricense 1957 de Abelardo Bonilla toma la erudición la riqueza en los datos y el cuidado por ofrecer detallada información sobre un número ingente de escritores y textos y comparte con la Breve historia de la literatura costarricense 2001 de Ivano Quesada el despliegue de un remozado aparato teórico y metodológico de base que incorpora los avances de la teoría y la crítica literarias de la segunda mitad del siglo XX a lo que se suma el conocimiento de las modernas tendencias que han renovado el conocimiento e interpretación de la historia

costarricense a partir de la década de 1970 La combinación de estas virtudes exhaustividad y enfoque actualizado hacen de esta una obra de referencia insustituible en nuestro entorno Alexander Sánchez **El desafío** Guido Pagliarino, 2021-01-08

Todo el mundo se ha planteado dramáticamente antes o después la doble pregunta Por qué existe el mal Podemos librarnos de él aunque sea después de la muerte Las respuestas pueden ser religiosas y a lo largo de la historia encontramos el hinduismo el budismo el mazdeísmo el judaísmo o pueden ser filosóficas y entre las segundas destaca la concepción de Platón según la cual como es sabido la materia eterna y no creada por Dios se modela malamente en sus formas y leyes físicas por un artífice y legislador divino un falsario bondadoso e inconsciente llamado el Demiurgo es decir el Artesano y las almas humanas preexistentes se ven infelizmente aprisionadas en los cuerpos Hay que filosofar mejorando reencarnándose así en hombres siempre mejores hasta el fin de las encarnaciones y ser de nuevo de una vez por todas espirituales Sobre esta idea básica sucesivos pensadores reunidos en diversos grupos y grupúsculos personas de espíritu absolutamente elitista consideran que solo algunos individuos precisamente ellos mismos son espirituales mientras que la mayor parte de los demás no lo son Solo para ellos ha venido a la tierra un salvador revelador de la verdadera sapiencia divina y gracias a él no se aniquilarán al morir sino que podrán salvarse de la materia y por tanto del dolor sobreviviendo felices solo ellos los pneumáticos o espirituales que tienen dentro de sí el pneuma eterno o chispa divina no todos los demás los materiales que son mortales porque solo poseen cuerpo y alma o psique que perecen También piensan eso elitistamente algunos hebreos no ortodoxos que por otro lado lo ven de otra forma en algunos aspectos secundarios Unos y otros son calificados como gnósticos por los estudiosos modernos aunque ellos se definen sencillamente como pneumáticos Al contrario que los gnósticos para la mayor parte de los pensadores judíos y luego de los cristianos la Revelación divina no es una iluminación debida a un salvador revelador sino que procede por etapas en la historia y poco a poco por las enseñanzas de esta viene transcrita en los libros bíblicos es decir en el Primer o Antiguo Testamento y en el Nuevo Testamento este segundo centrado en la Resurrección de la muerte de Cristo el Salvador Esos primeros cristianos no son elitistas como los gnósticos y afirman que gracias a él todos los seres humanos pueden alcanzar la vida eterna que el cuerpo material y psíquico se transforma al morir y resucitar en forma gloriosa y espiritual perviviendo eterna y gozosamente en Dios igual que pasó con la persona de Jesús siempre que se siga su ejemplo de amor y se crea que él también resucitó Tratan de que se conozca en todas partes la maravillosa noticia de la Resurrección pero lamentablemente a algunos hebreos concretamente a la lite que se mueve en torno al templo y el sanedrín parlamento de Jerusalén y enseguida también a muchos romanos no les gusta la idea así que hacen que se mate o matan directamente a los apóstoles los discípulos y los seguidores normalmente de formas horribles Los gnósticos curiosos por la novedad se interesan casi de inmediato por el cristianismo y muchos se cristianizan pero a su manera dicen que el verdadero cristianismo es el suyo que ni hablar de una resurrección del cuerpo y continúan insistiendo en que solo ellos los iluminados se salvan Desde ese momento se inician disputas entre gnósticos cristianizantes y cristianos genuinos altercados acrimos en los primeros siglos
