The Oxford Handbook of Children's Literature Julia Mickenberg, Lynne Vallone, 2012-11-29 Remarkably well researched the essays consider a wide range of texts from the U S Britain and Canada and take a variety of theoretical approaches

including formalism and Marxism and those related to psychology postcolonialism reception feminism queer studies and performance studies This collection pushes boundaries of genre notions of childhood Choice Back cover of book *Family Literacy Practices in Asian and Latinx Families* Jorge E. Gonzalez, Jeffrey Liew, Gayle A. Curtis, Yali Zou, 2022-12-06 This book focuses on the literacy beliefs and practices of parents and children from Asian and Latinx heritage backgrounds In the US children from Asian and Latinx immigrant backgrounds represent the largest population of dual language learners in schools While existing research has paid significant attention to the roles of parenting and the home literacy environment on children s literacy development relatively little attention has been allocated to immigrant families Chapters aim to meet the need in the field to understand the roles of culture and immigrant experiences on children s literacy learning and development including immigrant families home environments and parents involvement in literacy related activities in both English and the parents native language As Hispanic Latinx and Asian American populations grow in the US this book answers an urgent call for school systems and child and family professionals to be aware of issues in this area and how to address them in culturally responsive ways
