The Devil in the Flesh Raymond Radiguet, 2012-03-27 Hailed by Jean Cocteau as a masterpiece and by the Guardian as Bret Easton Ellis's *Less Than Zero* avant la lettre this taut tale written by a teenager in the form of a frank confession is a gem of early twentieth century romanticism Long unavailable in the U S it is here presented in a sparkling new translation Set in Paris during the First World War it tells the story of Francois the 16 year old narrator who falls in love with Marthe an older married woman whose husband is off fighting at the front What seems to begin as a charming tale of puppy love quickly darkens and they launch into a steamy affair In the tense environment of the wartime city their love takes on a desperation transcending their youthfulness And as the badly kept secret of their relationship unfolds scandal descends leading the story to a final startling conclusion and causing the book itself to become a scandal when it was first published in 1923 just before the author's death at the age of 20 *The Devil in the Flesh* Raymond Radiguet, 2005 The beauty and despair of lovers attempting to save something for themselves Pauline Kael **Devil in the Flesh, by Raymond Radiguet.
