Rajasekar,L. Beh,2013-10-18 The overall aim of this volume is to present the research studies carried out in the Middle East and Asia in the fields of culture and gender and their influence on leadership in particular The cultures and practices of these geographical regions are very much varied and this book Culture and Gender in Leadership Perspectives from the Middle East and Asia brings together analyses of these themes in selected countries of these two regions The chapter authors use detailed descriptions case studies and vignettes to speak to the cultural relativism and gender in leadership in these countries and provide a unique and comparative perspective drawn from their own cultures This volume also contributes to the development of theory and empirical research found in these regions and through the collective efforts presented in this book attempts to strengthen the body of knowledge and practice in the fields of culture and gender in leadership As Asia is becoming the engine of economic growth for the world and Arab Spring is opening up new vistas in the Middle East this book is a must read *Muhammad (s): 11 Leadership Qualities* Nabeel Al-Azami,2022-03-07 EACH OF YOU ARE A SHEPHERD AND EACH OF YOU ARE RESPONSIBLE FOR THEIR FLOCK This profound statement by Prophet Muhammad s compels us to recognise that we are all leaders at some level But what makes someone a good leader And how does each and everyone of us measure up against the leadership standards set by the Prophet This book presents a well researched leadership framework combined with extensively applied contemporary practitioner case studies for the first time to readers interested in a Sirah prophetic life based universal model for good leadership Drawing upon scholarly findings from eastern and western sources and having examined an extensive range of works on Sirah an original framework of eleven prophetic leadership qualities are presented with an entire chapter devoted to each Well known and lesser known events from the Sirah are explored and analysed like never before and viewed with a specialist leadership lens extracting insights on effective people management authentic leadership and succeeding against the odds Each chapter on leadership qualities offers not only what the quality means and where it can be found in the life of the Prophet but how one can develop those qualities within themselves as well **The Muslim World Book Review** ,2011 [Library of Congress Catalog](#) Library of Congress,1974-04 A cumulative list of works represented by Library of Congress printed cards **Islamic Motivation and**

National Defence Inamul Haq (Air Cdre.),1991 **The Malays Par Excellence-- Warts and All** Ismail Noor,Muhammad Azaham,2000 *Forthcoming Books* Rose Arny,1998-04 **The Presidency and Rhetorical Leadership** Leroy G. Dorsey,2002 Twelve leading scholars provide in depth studies of how words have failed or served American presidents Following on from an introduction to the themes each succeeding chapter examines a particular president The Leadership of Muhammad Joel Hayward,2022-03-10 Given Prophet Muhammad s s immense impact on history there are surprisingly few books that specifically analyse his leadership The few that exist maintain that Muhammad was a wonderful leader because he was a wonderful man that is he succeeded in his mission because of his superior morality and personal qualities Although it is widely agreed that Muhammad was a moral and decent man this explanation seems incomplete and almost inadequate Joel Hayward approaches the Prophet s leadership from a different vantage point by scrutinising ancient sources to ascertain whether Muhammad s conscious actions behaviour and methods can provide any substantial and meaningful insights about the effectiveness of his strategic leadership Through meticulous research and rigorous analysis Hayward demonstrates that Muhammad was an uncommonly astute and self reflective man with the ability to create and communicate a believable strategic vision of a necessary and desirable future This engaging yet deeply scholarly book makes a major contribution to both leadership studies and the Prophet s biography **Indian National Bibliography** Bellary Shamanna Kesavan,2001 **The Cumulative Book Index** ,1969 A world list of books in the English language **The British National Bibliography** Arthur James Wells,1968 Journal of Petroleum Technology ,1990-05 Books in Series, 1876-1949 R.R.
