The Library Rajguru College:

Managing Next Generation Library System in Networked and Digital Environment Dr. D. D. Lal, This book emphasizes the management of the future library and the next generation library system in the networked and digital environment It s astonishing how library management systems have developed The impact of the internet and Google s incredible success story significantly impacted the role of libraries Google continued to be ahead of the libraries because to new internet technology Even now this problem still exists However given this context libraries and companies that provide library systems have made several efforts to enhance the search capabilities for libraries using the new Google like discovery tools The process of designing and creating the features of the following generation of systems also began at this time Any library that wants to fulfill its duties and meet the needs of its patrons needs to have access to ICT **Library Herald** ,2007
