The Ethnographic Interview James P Spradley:

The Ethnographic Interview James P. Spradley, 2016-02-17 A must read classic for anyone academic ethnographers to market researchers involved with data collection from individual human beings The Ethnographic Interview is a practical self teaching handbook that guides readers step by step through interview techniques commonly used to research ethnography and culture The text also shows how to analyze collected data and how to write an ethnography Appendices include research questions and writing tasks Participant Observation James P. Spradley, 2016-02-17 Spradley should be read by anyone who wants to gain a true understanding of the process of participant observation This text is a follow up to his ethnographic research handbook The Ethnographic Interview and guides readers through the technique of participant observation to research ethnography and culture Spradley shows how to analyze collected data and to write an ethnography The appendices include research questions and writing tasks **En la Lucha / In the Struggle** Ada María Isasi-Díaz, A tenth anniversary edition of the classic introduction to mujerista theology for Hispanic women offers an inspirational look at the everyday struggles insights attitudes and lives of Hispanic women from the perspective of Hispanic identity in North American society with summaries of the sources aims goals and tenets of mujerista theology Christianity Doing Ethnography Today Elizabeth Campbell, Luke Eric Lassiter, 2014-06-27 Doing Ethnography Today explores the methodologies and theories behind contemporary collaborative ethnography and provides an opportunity to cultivate experience with included exercises Presents ethnography as creative and artful rather than analytical or technical Emphasises the collaborative nature of ethnography Structured exercises cultivate practical experience Includes a discussion on indexing and interpreting project materials Provides guidance on interview questions and selecting appropriate field equipment *The Chicago Guide to Collaborative Ethnography* Luke Eric Lassiter, 2024-05-31 Collaboration between ethnographers and subjects has long been a product of the close intimate relationships that define ethnographic research But increasingly collaboration is no longer viewed as merely a consequence of fieldwork instead collaboration now preconditions and shapes research design as well as its dissemination As a result ethnographic subjects are shifting from being informants to being consultants The emergence of collaborative ethnography highlights this relationship between consultant and ethnographer moving it to center stage as a calculated part not only of fieldwork but also of the writing process itself The Chicago Guide to Collaborative Ethnography presents a historical theoretical and practice oriented road map for this shift from incidental collaboration to a more conscious and explicit collaborative strategy Luke Eric Lassiter charts the history of collaborative ethnography from its earliest implementation to its contemporary emergence in fields such as feminism humanistic anthropology and critical ethnography On this historical and theoretical base Lassiter outlines concrete steps for achieving a more deliberate and overt collaborative practice throughout the processes of fieldwork and writing As a participatory action situated in the ethical commitments between ethnographers and consultants and focused on the co construction of texts collaborative ethnography

argues Lassiter is among the most powerful ways to press ethnographic fieldwork and writing into the service of an applied and public scholarship A comprehensive and highly accessible handbook for ethnographers of all stripes The Chicago Guide to Collaborative Ethnography will become a fixture in the development of a critical practice of anthropology invaluable to both undergraduates graduate students and faculty alike **African Traditions Meeting Islam** Lawrence Odhiambo

Oseje,2018-12-31 In many communities across the world traditional beliefs and practices are passed down generations and are a feature of day to day life despite the influence of outside sources Focusing on Luo Muslims in Kenya Dr Lawrence Oseje looks at the interaction of Islam and traditional Luo practices especially those around death and burial Dr Oseje s research with Luo Muslims in Kendu Bay investigates the impact of the traditional Luo conceptualization of death with their current views and provides new understanding of fundamental issues that affect the lives of ordinary Muslims From his observation of this community Oseje encourages a celebration of traditions and customs showing that an appreciation of traditions and beliefs can help develop ministry to local communities Dr Oseje s findings result in a deepened understanding of cultures how they develop from a blend of influences and provides anthropological and missiological guidelines for cross cultural ministry particularly in times of bereavement **Self-Identity Narratives of Chinese Students in the United States**

Sarah Y. Köksal,2023-01-31 While previous research has explored the academic adaptation or acculturation processes of Chinese students studying abroad limited attention has been paid to students own perspectives and narrations of their experience To contribute to a more nuanced understanding of this highly mobile group this study takes a closer look at the students self identity narratives How do they make sense of their foreign adventure How do they position themselves among their peers and their family members as well as within the greater transnational context Based on 29 in depth biographical interviews with Chinese students in the United States the findings show the participants continuously interpreting and revising their individual academic and cultural identities In the familial context a recurring narrative of the high potential only child could be observed Many students and their family members felt that their unique talents and personalities were not appreciated within the Chinese educational system and thus sought more holistic environments abroad Women, Ethics, and Inequality in U.S. Healthcare A.
