The Greatest Generation Comes Home Michael D. Gambone,2005-10-18 At the conclusion of World War II Americans anxiously contemplated the return to peace It was an uncertain time filled with concerns about demobilization inflation strikes and the return of a second Great Depression Balanced against these challenges was the hope in a future of unparalleled opportunities for a generation raised in hard times and war One of the remarkable untold stories of postwar America is the successful assimilation of sixteen million veterans back into civilian society after 1945 The G I generation returned home filled with the same sense of fear and hope as most citizens at the time Their transition from conflict to normalcy is one of the greatest chapters in American history The Greatest Generation Comes Home combines military and social history into a comprehensive narrative of the veteran s experience after World War II It integrates early impressions of home in 1945 with later stories of medical recovery education work politics and entertainment as well as moving accounts of the dislocation alienation and discomfort many faced The book includes the experiences of not only the millions of veterans drawn from mainstream white America but also the women African Americans Latinos and Asian Americans who served the nation Perhaps most important the book also examines the legacy bequeathed by these veterans to later generations who served in uniform on new battlefields around the world

[Summary of Tom Brokaw's The Greatest Generation](#) Everest Media,2022-04-06T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I went to Normandy France to film an NBC documentary on the fortieth anniversary of D Day the Allied invasion of Europe that marked the beginning of the end of Adolf Hitler s Third Reich I was unprepared for how this experience would affect me emotionally 2 The American veterans who landed on the beaches of Normandy in 1944 were all around me as I was growing up I had never appreciated what they had been through and what they had

accomplished 3 The World War II generation was a group of men who were transformed by their experiences but they did not volunteer their stories I had to ask questions or stay back a step or two as they walked the beaches quietly exchanging memories 4 The 1984 trip to Normandy was the first time Merli and Garton had met each other and they shared memories of the chaos and death all around them They were both extremely determined to survive **Myth and the Greatest**
