The House Of The Spirits:

The House of the Spirits Isabel Allende, 2005-04-19 Chilean writer Isabel Allende's classic novel is both a richly symbolic family saga and the riveting story of an unnamed Latin American country's turbulent history. In a triumph of magic realism, Allende constructs a spirit-ridden world and fills it with colorful and all too human inhabitants. The Trueba family's passions, struggles, and secrets span three generations and a century of violent social change, culminating in a crisis that brings the proud and tyrannical patriarch and his beloved granddaughter to opposite sides of the barricades. Against a backdrop of revolution and counterrevolution, Allende brings to life a family whose private bonds of love and hatred are more complex and enduring than the political allegiances that set them at odds. *The House of the Spirits* not only brings another nation's history thrillingly to life but also makes its people's joys and anguishes wholly our own.

The House of the Spirits Isabel Allende, 2015-10-27 Soon to be an original series on Prime Video. This spectacular, absorbing, and distinguished work is a unique achievement, both personal witness and possible allegory of the past, present, and future of Latin America. *The New York Times Book Review* *The House of the Spirits*, which introduced Isabel Allende as one of the world's most gifted storytellers, brings to life the triumphs and tragedies of three generations of the Trueba family. The patriarch, Esteban, is a volatile, proud man whose voracious pursuit of political power is tempered only by his love for his delicate wife, Clara, a woman with a mystical connection to the spirit world. When their daughter, Blanca, embarks on a forbidden love affair in defiance of her implacable father, the result is an unexpected gift to Esteban: his adored granddaughter, Alba, a beautiful and strong-willed child who will lead her family and her country into a revolutionary future. One of the most important novels of the twentieth century, *The House of the Spirits* is an enthralling epic that spans decades and lives, weaving the personal and the political into a universal story of love, magic, and fate. *The House of the Spirits by Isabel Allende* Llewellyn Johns, 1988
