The Men With Golden Cuffs Masters And Mercenaries 2 Lexi Blake:

Close Cover: A Masters and Mercenaries Novel Lexi Blake, 2018-04-10 Remy Guidry doesn't do relationships. He tried the marriage thing once back in Louisiana and learned the hard way that all he really needs in life is a cold beer, some good friends, and the occasional hookup. His job as a bodyguard with McKay Taggart gives him purpose and lovely perks like access to Sanctum. The last thing he needs in his life is a woman with stars in her eyes and babies in her future. Lisa Daley's life is going in the right direction. She has graduated from college after years of putting herself through school. She's got a new job at an accounting firm and she's finished her Sanctum training. Finally on her own and having fun, her life seems pretty perfect. Except she's lonely, and the one man she wants won't give her a second look. There is one other little glitch. Apparently her new firm is really a front for the mob, and now they want her dead. Assassins can really ruin a fun girl's night out. Suddenly strapped to the very same six-foot-five-inch hunk of a bodyguard who makes her heart pound, Lisa can't decide if this situation is a blessing or a curse. As the mob closes in, Remy takes his tempting new charge back to the safest place he knows: his home in the bayou. Surrounded by his past, he can't help wondering if Lisa is his future. To answer that question, he just has to keep her alive.

He never told her he was actually bisexual, and he never confessed his love for her. Now she's getting married, and Finn is sure he's lost his chance with the only person he'll ever love. Julian's vacation to the Barnes Fleetwood ranch brings them all together. After Dani jumps into Julian's car while fleeing her wedding, Julian knows he has to have her. But nothing is easy in Willow Fork. A danger from Julian's past threatens them all. Julian will have to convince both Dani and Finn that being his will be the best decision they ever made.

No Love Lost Lexi Blake, 2020-09-29 When Ezra Fain joined the ranks of the CIA, the last thing on his mind was romance. After meeting Kim Solomon, it was difficult to think of anything else. A tragic mistake drove them apart, leaving him shattered and unable to forgive the woman he loved. But when his greatest enemy threatens her life, Ezra leaps into action, prepared to do anything to try to save her. Solo accepted long ago that she won't get over Ezra. She's worked for years to get back into his life, looking for any way to reignite the love they once shared. Unfortunately, nothing seems to penetrate the wall he has built between them. When she's arrested for a crime she didn't commit, she believes she's on her own. Racing across the globe, Ezra and Solo find themselves together again, caught in the crosshairs of the agency they sacrificed so much to serve. Days on the run soon turn to steamy nights, but Levi Green isn't about to let them find their happily ever after. And when the smoke clears, the men and women of McKay Taggart will never be the same again.
