Disgruntled Asali Solomon, 2015-02-03 Novel about a young black girl coming of age in Philadelphia in the late 80s and early 90s
The Days of Afrekete Asali Solomon, 2025-09-23 I didn't feel like I was reading this novel I felt like I was living it
Ann Patchett author of *The Dutch House* From award winning author Asali Solomon *The Days of Afrekete* is a tender surprising novel of two women at midlife who rediscover themselves and perhaps each other inspired by Mrs Dalloway Sula and Audre Lorde's *Zami* Liselle Belmont is having a dinner party It seems a strange occasion her husband Winn has lost his bid for the state legislature but what better way to thank key supporters than a feast Liselle was never sure about her husband becoming a politician never sure about the limelight never sure about the life of fundraising and stump speeches Then an FBI agent calls to warn her that Winn might be facing corruption charges An avalanche of questions tumbles around her Is it possible he's guilty Who are they to each other who have they become How much of herself has she lost and was it worth it And just this minute how will she make it through this dinner party Across town Selena Octave is making her way through the same day the same way she always does one foot in front of the other keeping quiet and focused trying not to see the terrors all around her Homelessness starving children the very living horrors of history that made America possible these and other thoughts have made it difficult for her to live an easy life The only time she was ever really happy was with Liselle back in college But they've lost touch so much so that when they ran into each other at a drugstore just after Obama was elected president they barely spoke But as the day wears on memories of Liselle begin to shift Selena's path Inspired by Mrs Dalloway and Sula as well as Audre Lorde's *Zami* Asali Solomon's *The Days of Afrekete* is a deft expertly layered naturally funny and deeply human examination of two women coming back to themselves at midlife It is a watchful celebration of our choices and where they take us the people who change us and how we can reimagine ourselves even when our lives seem set

Get Down Asali Solomon, 2008-01-22 Asali Solomon's characters are vivid misfits a heathen at Jesus camp a scheming prep school student a middle aged mom pining for her salsa dancing salad days a scheming twentysomething virgin a college stud in love with his weight lifting partner a lonely girl in love with a yellow dress The kids in *Get Down* are trapped between their own good breeding and their burning desire to join the house party of sex romance and bad behavior that seems to be happening on some other block down some other more dangerous street The adults in *Get Down* are just trying to hold it together Here is a debut that will make you laugh and cringe in equal measure Set mostly in middle class black Philadelphia during the crack and Reagan years the stories in *Get Down* are antic poignant and utterly universal they'll bring back memories for anyone who has ever stood in the corner of a darkened school gym wondering whether to dance or duck for cover They announce a sparkling new talent a recent graduate of the Iowa Writers Workshop whose work has been featured in *Vibe* *Essence* and the anthology *Naked Black Women Bare All About Their Skin Hair Hips Lips and Other Parts*
