Focus On: 100 Most Popular Former Roman Catholics Wikipedia contributors, **Warmonger** Jeremy Kuzmarov, 2023-12-01 During the 2016 presidential election many younger voters repudiated Hillary Clinton because of her husband's support for mass incarceration banking deregulation and free trade agreements that led many U.S. jobs to be shipped overseas Warmonger How Clinton's Malign Foreign Policy Launched the Trajectory from Bush II to Biden shows that Clinton's foreign policy was just as bad as his domestic policy Cultivating an image as a former anti Vietnam War activist to win over the aging hippie set in his early years as president Clinton bombed six countries and by the end of his first term had committed U.S. troops to 25 separate military operations compared to 17 in Ronald Reagan's two terms Clinton further expanded America's covert empire of overseas surveillance outposts and spying and increased the budget for intelligence spending and the National Endowment for Democracy NED a CIA offshoot which promoted regime change in foreign nations The latter was not surprising because according to CIA operative Cord Meyer Jr Clinton had been recruited into the CIA while a Rhodes Scholar at Oxford and as Governor of Arkansas in the 1980s he had allowed clandestine arms and drug flights to Nicaraguan counter revolutionaries Contras backed by the CIA to be taken from Mena Airport in the western part of the state Rather than being a time of tranquility when the U.S. failed to pay attention to the gathering storm of terrorism as New York Times columnist David Brooks frames it the Clinton presidency saw rising tensions among the U.S. China and Russia because of Clinton's malign foreign policies and U.S. complicity in terrorist acts In so many ways Clinton's presidency set the groundwork for the disasters that were to follow under Bush II Obama Trump and Biden It was Clinton building off of Reagan who first waged a War on Terror ridden with double standards one that adopted terror tactics including extraordinary rendition bombing and the use of drones It was Clinton who cried wolf about human rights abuses and the need to protect beleaguered peoples from genocide to justify military intervention in a post Cold War age And it was Clinton's administration that pressed for regime change in Iraq and raised public alarm about the mythic WMDs all while relying on fancy new military technologies and private military contractors to distance US shady military interventions from the public to limit dissent

Stealing Your Vote Christina Bobb, 2023-01-24 How Election Fraud Is Rampant and How to Stop It before It Kills America The mainstream media has labeled it The Big Lie but the facts on the ground tell a very different story While politicians on both sides of the aisle scramble to stifle all investigations into election fraud and the

mainstream media pumps out nothing to see here stories investigative reporter Christina Bobb reveals the ugly truth the 2020 election was riddled with lying cheating stealing and vote dumping which disenfranchised millions of Americans and probably swayed the outcome of the election As usual the cover up was even worse than the crime as politicians media and activists launched an all out assault on facts and evidence doing everything in their power to bury the truth and slander anyone who dared ask the inconvenient questions Stealing Your Vote tells the story of corruption within the Democratic Party but also reveals the cowardice throughout the Republican Party as fat and happy politicians from both parties desperately worked to protect the status quo Bobb also tells the story of a handful of brave patriots who tried and continue trying to find out just what happened in 2020 As we look forward to 2024 we face an unprecedented crisis millions of Americans have now lost faith in the integrity of our elections The country has become ever more polarized pitting those who believe the election was stolen versus those who are determined to cancel both the investigations and the doubters But election integrity should not be a partisan issue Fair and honest elections are the bedrock of our republic while tainted elections are the hallmark of tyranny If we fail to regain election integrity and the trust of the American people all of us Democrat and Republican liberal and conservative are doomed to a dark future Christina Bobb s Stealing Your Vote is the first and only investigative report into what truly happened in the 2020 elections and the cover up that followed and what we must do now as our next presidential election approaches
