Unleashing the Power of Faith David Yonggi Cho, 2006 Presents a lesson that shows the power in possibilities **A Full-er Gospel?: Pentecostal Proclamation in New Zealand 1990-2008** Linda Flett, 2015 This book draws on the belief statements and official publications of Elim and AOG denominations in New Zealand from 1990 to 2008 in order to test the extent to which this conviction was adhered to A statement that In order to reach New Zealand our methods need to change but not our message provides a framing device inviting the reader to explore their responsiveness to aspects of social change within New Zealand before gauging interest in new methodologies known to have impacted Pentecostal churches in New Zealand during this period Actual changes to evangelistic methodology and salvation terminology is presented from the findings of a quantitative study before the salvation message is re examined It will be evident that not only were new methodologies embraced but views on salvation broadened becoming increasingly holistic dynamic and relational **The**

Fourth Dimension Robert Lee Bell, 2013-08 Dr Robert Lee Bell s book *The Fourth Dimension Truth or Deception* is a very well researched and balanced study on the teachings of Yonggi Cho It is indeed a need in this age to explore the dangers of the man centered theology that Apostle Paul warned against in II Timothy 3 1 9 Dr Bell has compared Cho s theology with the Scriptures and it is very clear that Cho s theology is a synthesis of Christianity shamanism and occult practices a deceptive mixture of error and truth which appears Christian Cho takes Scripture out of context and twists it to conform to a preunderstood paradigm **Missionalia** , 2007 Contains abstracts of missiological contributions book reviews and articles
