Dracula Black Cat Readers Straty:

Beyond Dracula W. Hughes,2000-08-08 Beyond Dracula represents an important critical departure from the customary psychoanalytical approach to the writings of Bram Stoker Reading Stoker as a participant in Victorian and Edwardian cultural life the volume examines the breadth of Stoker s novel length fiction as well as his journalism biographical writings and short fiction In its considerations of questions of religion censorship gender and medicine the volume will interest not merely readers of the Gothic but those involved in the study of Victorian and Edwardian culture **Dracula** Bram Stoker,2015-10-02 Make Dracula your next Book Club Read The last I saw of Count Dracula was his kissing his hand to me with a red light of triumph in his eyes and with a smile that Judas in hell might be proud of Bram Stoker Dracula Dracula by Bram Stoker is a gothic classic written as a series of letters that is perfect for Halloween reading Dracula is a figure that is ever present in modern society but the original novel is often neglected by readers If you haven t ever read it or want to revisit this classic novel now is a great time This edition of Dracula by Bram Stoker has been professionally formatted for e readers and contains a bonus book club leadership guide and discussion questions We hope you ll share this book with your friends neighbors and colleagues and can t wait to hear what you have to say about it **A Tale of Two Villains** Calvin H. Cherry,2022-10-18 Prepare to be delightfully surprised to discover that the godfather of all vampires and the infamous dark wizard share a deep character bond that goes far beyond the title monster Be intrigued to uncover what a coffin and a horcrux share or to dig further to unearth that the often overlooked scars which Bram Stoker wrote of in Victorian England are just as significant as those described by J K Rowling in the modern era Indeed it cannot be a mere coincidence that Dracula was hurt in 1897 and 100 years later Harry is too Bookshelves and databases are full of fascinating sources celebrating the supernatural worlds created by beloved authors Bram Stoker and J K Rowling The millions of fans of Dracula and Harry Potter consist of all age groups and varied enthusiasm ranging from a curious reader or leisure cinema observer to seriously devoted academic scholars However followers of each universe have been chiefly segregated rarely mingling apart from an occasional culture convention widely dominated by Star Wars Star Trek and Marvel heroes groupies This is most unfortunate because Stoker and Rowling readers have a lot in common This is because Count Dracula and Lord Voldemort have much in common In fact these two internationally acclaimed bestselling novels possess a remarkable kinship A Tale of Two Villains is a love letter to both sets of fans paying homage to two superb authors and their extraordinary respective works It is the first text to set both masterpieces on pedestals side by side analyzing the words on the page and the thoughts behind them exploring their similar themes unique parallelism and mystical symbolism The author delves profoundly into the interesting characters their traits conflicts and motivations to show how literary art is born This book is a must have for any Stoker or Rowling reader as it is the first of its kind ever published [El-Hi Textbooks and Serials in Print](#) ,1985 *The Encyclopedia of Fantastic Film* R.
